LEGION HOLDS VETS PROGRAM ON WEDNESDAY

The Albert J. Lentz Post of the American Legion sponsored its annual Veterans' Day program in the auditorium of the Gettysburg High School Wednesday afternoon in an observance highlighted by an American Legion color guard, guest speakers, and the school band and choir.

Lt. Col. Jacob M. Sheads, history teacher at the high school and chairman of the Legion committee in charge, introduced Richard Fox, deputy district commander of the 22nd District of the American Legion.

"I would like to present to you at this time a member of the Gettysburg High School Class of '34, who has served his country and the American Legion with distinction."

In explaining the reason for the Legion's annual observance of Veterans' Day, Fox recalled several provisions of the preamble to the Legion's constitution: "To uphold and defend the Constitution of the United States; to preserve the memories and incidents of our associations in the great wars; and to safeguard and transmit to posterity the principles of justice, freedom and democracy."

Cites Importance

"We hope to impress upon the younger generation the importance of the nation in which we live."

Fox introduced guest speaker, Capt. Earl M. Schmidt, U. S. Air Force, assistant professor of air science and tactics at Gettysburg College.

Capt. Schmidt recalled a story about a little boy who once watched a Veterans' Day Parade with his grandfather in illustrating that the questions of youngsters frequently make good sense.

"The little boy asked what Veterans' Day was and was told it is (Continued On Page 11)

MRS. BIGHAM IS PRESIDENT FOR COUNTY GROUP

Mrs. Franklin R. Bigham, W. Broadway, was re-elected president of the Adams County Society for Crippled Children and Adults at the November meeting of the Wednesday afternoon at the Methodist Church here.

Miss Ellen R. Miller, Gettysburg school nurse and member of the board of directors of the state crippled children's society, was elected secretary of the county group for another year.

Other officers named were the Rv. Amos D. Meyers, York Springs, supervising principal of the Bermudian Springs schools, vice president, and Mrs. Donald Cordell, Gettysburg R. 2, treasurer, succeeding Mrs. James Parry, Biglerville R. 1. The election followed presentation of the report of the nominating committee by its chairman, Attorney Edward B. Bulleit.

Plan For Seal Sale

Mrs. Edgar Markley, 1960 Eastern Seal sale chairman, reported on preparations being made for the campaign early next spring. The seal sale is the society's chief annual source of funds.

More Than 500 At School Open House

The Fairfield Joint Schools sponsored an "open house" program Wednesday. Approximately 100 parents visited the schools during the day and were served luncheon by the home economics department, under Mrs. Paul Claypool. The student council was in charge of registration and guide service.

The program was continued in the evening when approximately 450 parents visited the schools. Refreshments were served and entertainment was provided by the school band, under the direction of Charles Rogers, and the chorus, under the direction of Edward Cashmore.

George B. Inskip, supervising principal of the joint-schools, said, "The program was very successful," and added that he was "well pleased by the parent enthusiasm."

Committee Okays Hospital Grants

State appropriations for hospitals in this area, approved Wednesday by the Senate committee with changes in some instances from House figures set earlier included:

Warner Hospital, Gettysburg, \$35,000; Waynesboro Hospital, \$35,000; Hanover General, \$35,000; a \$5,000 cut from the House figure; Fulton County Medical Center, McConnellsburg, \$21,000; Chambersburg Hospital, \$87,000; and Carlisle Hospital, \$38,500.

WILL DELIVER TALK HERE ON AMERICAN ART

Oliver W. Larkin, professor of art at Smith College, Northampton, Mass., will lecture at Gettysburg College next Monday. The public is invited to attend the

PROF. O. W. LARKIN

talk by the authority on American art at 8:30 p.m. in the SCA building, N. Washington St., college campus.

Prof. Larkin is widely known as an author and lecturer on American art, a college spokesman said. His book "Art and Life in America" won a Pulitzer Prize in 1949.

Written for the layman and based on courses in American art history which he teaches at Smith, the book was the first on American art ever translated into French and published in Paris.

Another of his books, "Samuel F. B. Morse and American Democratic Art," appeared in 1954 as volume six in the Library of American Biography. It deals with Morse's ambition to develop a representative American art.

Larkin in 1951 prepared film strips on American art for visual aid use in teaching American art and history in colleges and universities. The professor of art has lectured on American art at the Seminar on American Studies in Salzburg. He has a special working interest in stage design.

Prof. Larkin earned A.B. and A.M. degrees at Harvard. He taught fine arts there from 1921 to 1924, when he joined the Smith College faculty.

HOLD PANEL ON CIVIL WAR

Franklin and Marshall College was host to a group of Civil War students today as a preface to the Third Annual Civil War Conference at Gettysburg College which opens next Thursday.

The men conducted a question-and-answer session on aspects of the Civil War in the browsing room of Fackenthal Library this afternoon.

Among those participating are: Dr. Robert L. Bloom, a member of the Department of History at Gettysburg College and the director of the Gettysburg Civil War Conference; G. Henry Roth of the Gettysburg Times; Dr. Frederick Tilberg, historian of the Gettysburg National Military Park; William Andes of Lancaster, who was recently appointed chairman of the drive to preserve financial backing for the preservation of the battlefield; and James Stuart Montgomery, author of the recently published book, "The Shaping of a Battle: Gettysburg."

The Gettysburg conference will be addressed by Bruce Catton, America's foremost Civil War writer. The program, which will have as its theme "Lincoln and the Civil War," has been arranged by Dr. David M. Potter, professor of history at Yale University.

NAME RITTER PRESIDENT OF BOY SCOUTS

Charles E. Ritter, Littlestown, was re-elected chairman of the Black Walnut Boy Scout District at its annual meeting and ladies' night dinner Wednesday evening at the America Legion home, Baltimore St.

The 90 adult Scout leaders present also elected Dr. W. E. Tilberg and Sebastian R. Hafer as vice chairmen and these "members-at-large" to the district committee: Attorney Edward B. Bulleit, Attorney Eugene R. Hartman, Chief of Police Jack Bartlett, Rev. John Bishop, Ralph Bream, Robert Bondurant, Richard Cogley, Richard Bruce, Curvin Mickle, G. Edwin Motter, Paul Evans, Dr. Bruce N. Wolff, William Lentz, Oren Wilson, Richard Fox, Walter Smith, Dr. Frederick Tilberg, Ray Weishaar, Arthur Bair, Warren Harner, Jack Orner, Paul Kuhn, Robert A. MRS. PALMER EXPIRES AT 71

Mrs. Lottie May Palmer, 71, wife of Samuel D. Palmer, 162 N. Stratton St., died Wednesday afternoon at 2:30 o'clock at the Warner Hospital where she had been admitted six days ago in a diabetic coma. She had been in declining health for a number of years.

A native of Pomeroy, Ohio, she was a daughter of the late John and Lucy (Pierce) Caldwell, and had resided in Gettysburg since 1932.

She was a member of the Gettysburg Methodist Church and active in church work and was a member of the Auxiliary of the Albert J. Lentz Post of the American Legion and the YWCA.

Surviving in addition to her husband are two daughters, Mrs. Frank Lambdin and Mrs. James Eagle, both of Baltimore; these sisters, Mrs. Stella Cameron, Lancaster, Ohio, and Mrs. Garnet Karnes, Columbus, Ohio, and a number of nieces and nephews.

Funeral services Saturday afternoon at 2 o'clock from the Bender Funeral Home, Carlisle St., with the Rev. William E. Fenstermaker officiating. Interment in Evergreen Cemetery. Friends may call Friday evening from 7 to 9 o'clock at the funeral home.

DIES IN LANSING

George Grow, about 60, died suddenly in his Lansing, Mich., home Wednesday afternoon. He was the husband of the former Bonnylin Gilbert, daughter of Benton Gilbert, Buford Ave. In addition to his widow, the deceased is survived by three children. Funeral arrangements are incomplete.

Battlefield Group Is Incorporating

Incorporation papers for the Gettysburg Battlefield Preservation Association have been filed with the prothonotary's office here.

The association is designed to seek donations toward purchase of needed land for the battlefield. It lists as incorporators Major William A. Haller, Fort George G. Meade, Md.; John J. Coughlin, Harrisburg; Theodore Whitfield, Westminster; Scott A. Trexler, Allentown, and Dr. Robert L. Bloom and Dr. Frederick Tilberg, Gettysburg.

WOMAN'S CLUB HEARS ADDRESS BY MRS. CLAPP

"People all over the world have something to give to one another and the Mexican people are no exception," Mrs. Clyde A. Clapp, Baltimore, declared in an address before the Woman's Club of Gettysburg Wednesday afternoon at the YWCA.

Mrs. Clapp recently returned from Cernavaca, Mexico, as a delegate to the World YWCA Council. She pointed out that "Mexico has a very old cultural tradition that began before the Christian era. The first peoples settled in the high plateau region and discovered the cultivation of maize (corn) which changed their cultural pattern from that of nomad hunters to semifarming communities. Later, groups formed a calendar made of stone before the conquest of Cortez. All of this, while our ancestors were in a far less advanced stage."

"Since then because of conquest, tyrants, and civil war, the cultural pattern has slipped or rather has remained static while her neighbors have progressed. However, there have been many changes within the past 30 years."

Drawing from her own experience as a traveler in Mexico in 1930 and again in 1959, Mrs. Clapp pointed out that in 1930 there were one million people in Mexico City, thousands of whom were barefoot. In 1959 there are four and one half million and only a handful are barefoot. Also in 1930 few were literate while today "even the bootblacks read."

In connection with the Thanks-giving project of the Pennsylvania Federation of Women's Clubs to help Mexico through CARE, self-help program, Mrs. Clapp pointed out that CARE work is a feeling of understanding. "While we don't speak the same language," she said, "we are human beings together and have something to share with each other."

Mrs. Herbert Blye, president, announced that the club contributed \$100 to the Community Chest. Mrs. George Thrush Jr. introduced two new members, Mrs. Minnie

Teacher "Rigs" History Exam To Teach A Lesson

FREEHOLD, N.J. (AP) — Is honesty the best policy? A high school class here evidently thinks so—now.

The students at Freehold Regional High School were taught a lesson by their American history teacher, Melvin C. Willett.

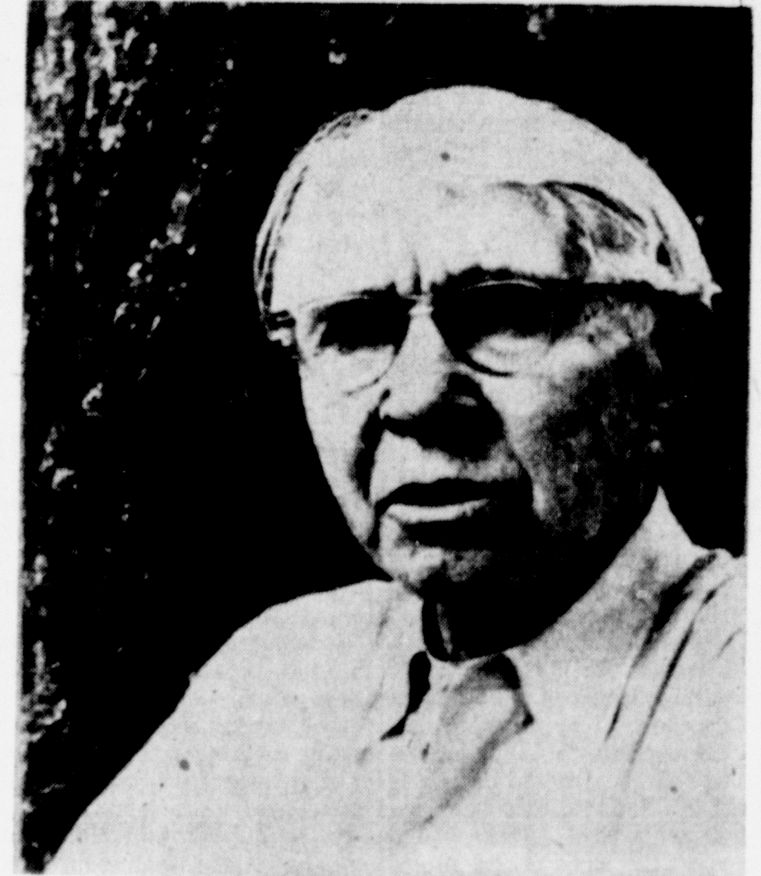

The class held a discussion on rigged television quiz shows, and in the words of Willett: "As we discussed the subject, I became perturbed at the attitude of most of the students. They felt that because of the big money prizes involved and because it was not illegal, it was all right for quiz contestants to accept answers."

So Willett made up a real whooper of an American history quiz. He hinted to nine of the students that he wouldn't mind if they looked at the answers lying on his desk. They did.

The nine got perfect scores. Willett flunked the rest of the class. Then Willett revealed what he had done.

"They all objected violently," he said, "complaining about the unfairness of the situation. 'All right,' I told them, 'we will now have another discussion on rigged TV quiz shows.'"

HOME DAMAGE BY TERMITES BRINGS SUIT

Marvin F. and Joanne M. Breighner, 545 E. King St., Littlestown, have brought suit in Adams County court against Clement A. and Ruth A. Sneeringer, 553 E. King St., Littlestown, because termites wrecked the floor of the dining room at the Breighner home.

According to the action in trespass filed in the prothonotary's office for the Breighners by Attorney Richard A. Brown, the Breighners purchased the residence at 545 E. King St. from the Sneeringers in the summer of 1958.

According to their complaint, on June 14, 1958, they asked Stanley Sell, who was representing the Sneeringers in the transaction, whether there were termites in the building or whether the building had ever been damaged by termites. He replied in the negative.

Ask \$5,000 Damages
According to the complaint, the building was infested by termites and "such condition was known prior to June 14 to the defendants, Mr. and Mrs. Sneeringer, but notwithstanding such knowledge defendants represented to Stanley Sell such weakened condition did not exist."

The Breighners claim that, relying on the statement there were no termites around, they bought the place from the Sneeringers on August 15, 1958.

On March 1, 1959, they discovered the "building was infested by termites whose activity had so weakened the rafters and beams that the floor of the dining room collapsed."

The plaintiffs hold that "experts" tell them the cost of repairing the damage caused by the termites will be \$2,000.

According to their complaint, they ask damages of "not less" than \$5,000.

Author Of Many Books On Martyred President Will Recite "Address"; U.S. Army Band To Play

Carl Sandburg, internationally famous Lincoln biographer, student and scholar and recognized as the most informed authority on Abraham Lincoln, will be one of the speakers at two exercises here next Thursday officially closing the Lincoln Sesquicentennial year.

The eminent Lincoln scholar will read Lincoln's Gettysburg Address and speak briefly at a Lincoln Fellowship luncheon at 12:30 p.m. in the Hotel Gettysburg and at exercises in the Gettysburg National Cemetery. He will repeat the "Address" and again speak briefly.

Announcement of Sandburg's visit to Gettysburg was made today by Lloyd A. Dunlap, administrative officer of the Lincoln Sesquicentennial Commission, Washington, D. C. The commission is concentrating its efforts on the program here and many of its members will come to Gettysburg for the affair next Thursday.

U.S. Army Band To Play

It was also announced that the U.S. Army Band will come to Gettysburg to head the procession to the Gettysburg National Cemetery after the luncheon and furnish the music for the exercises there. The band has a complete repertoire of Lincoln music which it will play while here.

At the luncheon Congressman Fred Schwegel of Iowa, another prominent Lincoln authority and considered in many circles as "second only to Sandburg," and a well-known speaker, will deliver an address on Lincoln.

At the National Cemetery Arthur S. Flemming, secretary of health, education and welfare, will be the speaker.

One bus and perhaps three buses will bring a number of Lincoln and Civil War enthusiasts from the Washington area to Gettysburg for the occasions. Invitations have been extended by the Lincoln Commission to a number of interested persons.

The two programs here will highlight a great number of Lincoln programs in many states scheduled for November 19, the 96th anniversary of Lincoln's Gettysburg Address.

Members of the Lincoln Sesquicentennial Commission, Washington, and a number of distinguished Lincoln scholars and students from throughout the east will attend the luncheon. It is open to the public.

File Damage Suit In Death Of Son

Pauline S. and Samuel P. Hepfer, 7 Hanover St., parents of Ronald Richard Hepfer, have instituted a trespass action in the prothonotary's office against Morris R. Rummel Jr., 222 E. Middle St., to seek damages in their son's death which occurred when a car in which he was a passenger, operated by Rummel, was in an accident just west of Gettysburg on the Fairfield Rd.

According to the complaint filed for the Hepfers by Attorney John A. MacPhail, Ronald Richard Hepfer was in the car of Rummel on June 14, 1958, at 12:30 o'clock in the morning when Rummel lost control and the vehicle struck a pole while traveling west. The Hepfer youth was instantly killed.

Funeral and tombstone expenses totaling \$1,143.90 are listed in the complaint and in addition "in excess of \$5,000" is asked in each of two counts, one by Mr. and Mrs. Hepfer as parents and one by Mrs. Hepfer as administratrix of her son's estate. They list the son as having been employed at \$58 per week at the time of his death.

Graveside Services Held Wednesday

Graveside services were held Wednesday afternoon at the St. Mary's Catholic Church Cemetery, Fairfield, for Karen Jane McClell, infant daughter of Mr. and Mrs. Ralph Warren McClell, Blue Ridge Summit, the Rev. John J. McNulty officiating.

The child died at birth at the Waynesboro Hospital Tuesday. Survivors include, in addition to the parents: a sister and brother, Brenda and Gregory, at home; paternal grandparents, Mr. and Mrs. Charles McClell, Fairfield, and the maternal grandfather, Samuel Brewer, Gettysburg.

SHUMAN STORE WILL OBSERVE 40TH BIRTHDAY

C. Ross Shuman is a quiet gentleman who answers questions quietly and courteously, smiling unexpectedly.

The other day, as he sat in his store recalling 40 years of service to the community (the anniversary is today), he explained that Shuman's Store, of which he is owner-manager, has been in its present location at 34 Baltimore St. since it was founded.

"The beginning was in 1919," he said, reflectively. "W. G. Stevens, of Carlisle, was my partner, but the partnership was dissolved the following February."

Rapid Expansion

Shuman was a young man when six years later an expansion program was initiated to encompass what is, in actuality, two sites combined as one.

Today, the establishment might well qualify as something of a "modern general store," because of the wide range of products available. Toiletries, proprietary medicines and sundries still form the nucleus of merchandise, as they have from the outset.

In addition, there are luncheon facilities, home appliances, cosmetics, basic luggage, varied reading matter, a soda fountain, greeting cards, souvenirs, sick room needs, watches; electric shavers, a department featuring baby needs, and a number of related and distinctive items.

EYE CREDIT TO INDUSTRY

HARRISBURG (AP)—A proposal to establish private business development credit corporations to aid industrial expansion is back in the Senate for concurrence in House amendments.

The legislation was returned to the Senate, where it originated, by a 152-2 vote of the House last night.

The loan companies, named business development credit corporations, are intended to supplement the work of the state-financed Pennsylvania industrial development authority which makes loans to municipalities to finance industrial expansion.

Principal Change
The principal change in the proposal made by the House was to eliminate the Senate plan to authorize the establishment of the corporations on a regional basis.

Three companion bills, authorizing financial institutions to lend money to the new loan corporations, were approved without change by the House and sent to Gov. Lawrence for final consideration.

The board delayed until its next meeting action on a request for a donation toward the cost of a new swimming pool which has been constructed at Harmony Hall, state-operated camp for handicapped children near Harrisburg.

Help Cripples Youngsters
The treasurer's report showed the society spent more than \$145 in the last month for braces, shoes and other aids for crippled youngsters in from many parts of the county. The board approved additional items Wednesday.

The list included \$14 for a night splint for a handicapped boy for whom the parents have just bought special shoes, \$8.75 for shoes for a handicapped girl, a \$24 item for repair of braces for another child, \$19 for a pair of shoes for a club-footed boy and \$75 for braces for a crippled boy in a family of eight.

Miss Mildred Eden presented a report for the state nurses. Miss Miller told of a meeting of the state society's board of directors that she attended at Harrisburg on November 1 and Mrs. Bigham reported on state hearings on health services she attended recently in Harrisburg.

Fifteen directors attended the meeting.

JURY MAY SET DEATH PENALTY

HARRISBURG (AP)—The jury in a murder trial would be given the responsibility of sentencing the defendant under a measure which has won final approval of the Legislature.

The proposal was passed, 180-3, by the House Wednesday. It now goes to Gov. Lawrence for his signature.

At the same time, the Senate passed a resolution which would direct the Joint State Government Commission to study capital punishment and its effect upon society. The resolution still must gain House approval.

The legislation on murder trials requires that further testimony and arguments be taken if the jury returns a guilty verdict. After hearing the additional information, the jury would retire a second time to decide upon the death penalty or a prison sentence.

If the jury then failed to reach a decision, the sentence automatically would be life imprisonment.

ANNIVERSARY MASS

A Requiem Mass marking the fourth anniversary of the death of the late Mrs. Helen Elizabeth Shaum will be offered in St. Joseph's Church, Taneytown, Monday at 7 a.m. The Rev. Francis P. Wagner, pastor, will be the celebrant. Relatives and friends of the deceased are invited to attend.

Man Amputates His Tangled Arm

ALMA, Ga. (AP)—"I cut a little bit at first just to see how bad it would hurt. All the feeling was gone, and it didn't hurt a bit. So I started whacking away."

Thus did Henry Ahl, 47, tell how he began amputating his left arm between the wrist and elbow when it became entangled in a corn-picking machine at his farm near Alma. The accident occurred last Thursday, and Ahl described his 30-minute ordeal from his hospital bed Wednesday.

Ahl rode a tractor part of the way to his farmhouse, a half-mile distant after his pen-knife surgery. A neighbor met him and carried him to the Bacon County Hospital where his condition was reported as good.

STATE TO HELP SCHOOL LOSSES

HARRISBURG (AP)—An agreement to insure school districts against any losses in state subsidies this biennium was given final legislative endorsement.

The House went along Wednesday night with Senate amendments to its original bill, sponsored by the administration. The vote was 184-0. It now goes to Gov. Lawrence for final action.

As originally drawn by the administration, the bill would have repaid 75 per cent of the 9 million dollars the bulk of the state's 2,300 school districts stand to lose through new real estate valuations made by the State Tax Equalization Board recently. These valuations are the basis of the state's school subsidies.

The Senate had insisted that the state underwrite the entire 9 million dollars. Acceptance of the Senate's position was part of the general agreement reached Tuesday to resolve the deadlock over Lawrence's budget.

YOUNG MOTHER IS FOUND SLAIN

LAWTON, Okla. (AP)—The nude body of Fern Romero, 25, was found Wednesday by neighbors on the floor of her bedroom. Her throat had been cut. Her husband, Capt. Louis Romero of nearby Ft. Sill, was attending an advanced artillery class at Ft. Bliss, Tex. He was flown to Ft. Sill this morning. He is from Port Arthur, Tex.

Mrs. Romero was killed early Tuesday morning according to Lawton Detective Capt. Cleo Stout.

Her two sons, Criss, 6 months old, and Timmy, 27 months, were found in the house unharmed.

Seek Suspect In Bludgeoned Death Of Hollywood Woman

PALM SPRINGS, Calif. (AP)—What kind of woman was Lillian Lenora?

Investigators are hoping the answer to that question may solve the mystery surrounding her murder.

But as they study her past and question her numerous men friends in search of clues, the paradoxes keep piling up.

Some told authorities she was a carefree girl about town with many men in her life. Others said she used romance to hide her loneliness and distress over two unsuccessful marriages.

The rehaired Hollywood film cutter gave up a professional dancing career to put her 13-year-old son through an exclusive military school.

Her bludgeoned body was found Sunday morning on a lonely road near this desert resort. She was 42.

Sheriff's Lt. Edward Brown said Wednesday night a young man identified as Tord Ove Zeppenfeld

O. K. Aid For HOME FINANCE

HARRISBURG (AP)—The House gave final legislative approval Wednesday night to a plan to set up a state agency to help finance home purchase for lower income families.

The measure and a package of four other bills permitting financial institutions governed by state law to invest in the agency now goes to Gov. Lawrence for his signature.

The principal sponsor, Sen. Charles R. Weiner (D-Phila.) claims it will make homes available to 100,000 families by offering mortgage money at lower interest rates than are prevalent in the general market.

Merely Authorizes

Rep. George X. Schwartz (D-Phila.) who guided the proposal through the House, said it would be at least next year, however, before such an agency would be in operation. This legislation merely authorizes it, he said, but the next Legislature, convening in January, will have to appropriate money to get it into operation.

SHARK BITES SKINDIVER

MALIBU, Calif. (AP)—Skindiver Duffie Fryling thought things were too quiet as he swam out to some lobster beds. It seemed ominous.

Hunch or no, his feeling proved only too correct. When he was 75 yards off this Southern California beach, Fryling suddenly spotted a bloody, swirling mass—a dozen or more sharks fighting among themselves.

He discovered them almost too late, he related Wednesday. Two sharks, each about five feet long, got between him and shore.

"There was only one thing I could do—head straight for them and they split apart."

Then one shark attacked. He threw up his left arm and the shark's upper jaw sank into it. He managed to pry the jaw open. "It felt as if someone had driven nails into my arm," he said.

The husky ex-life-guard, 21, was treated for teeth lacerations from wrist to elbow. The incident happened Tuesday.

Ex-Nixon Writer

Gardner, son of a former Orange County treasurer, described himself in the prospectus as an honor graduate of Whittier College, a World War II bomber pilot, a founder of the Junior Toastmasters of America and a one-time writer for Vice President Richard M. Nixon.

Hill said he found an unpublished manuscript of Gardner's in the house. Titled "Fighting Quaker," it was a 1952 biography of the vice president, who is also a graduate of Whittier College.

Pasted to the manuscript was a letter of appreciation from Nixon. The bodies were discovered because Patricia McCaig, 12, thought the Gardner's dog and cat looked hungry. Then, Patricia noticed newspapers and milk containers near their front door.

Revolver On Floor

On the floor nearby was a .45 caliber service revolver. In a waste basket between the Gardner's twin beds was a bloody sledge hammer.

"I'd call it a triple murder and suicide," Coroner Christopher Hill Jr. said Wednesday after the bodies were found. "But it's a baffler. No notes. No explanation."

Cause Obscure
Papers in Gardner's home disclosed he had recently applied for a job as an art teacher in Wellington, New Zealand.

PSEA IS OBSERVING EDUCATION WEEK

This week has been designated as American Education Week in the United States. The Upper Adams Subarea of the Pennsylvania State Education Association has prepared a window display in the Biglerville Hardware Store. The display features a large drawing of the front of the proposed Junior-Senior High School building which was drawn by Clyde Cover, a member of the Industrial Arts Department at the high school.

The Upper Adams Subarea urges all to: Visit your schools, write a letter of appreciation to your pupil's teacher, work for legislation which will benefit the public schools, attend school sponsored activities such as plays, sporting events, etc., and accept nothing but the best in education for the youth of your community and work toward that end.

Mrs. Walter Slaybaugh, Biglerville, and Mrs. Luther Lawver, Biglerville, R. 1, visited Monday in Greencastle with Mrs. Slaybaugh's brother-in-law and sister, Mr. and Mrs. C. P. Barnhart, and family.

A food bazaar, sponsored by the King's Daughters Sunday School Class of Trinity Lutheran Church, Arendtsville, will be held Saturday, beginning at 10 o'clock in the social room of the Arendtsville Bank. Orders may be placed by contacting Mrs. Raymond Hale or Mrs. Arnold Orner.

Nomination of Sunday School officers will be held in Flohr's Lutheran Church School, McKnightstown, during the Sunday School hour at 10:15 a.m. Sunday.

The Society of Farm Women of Adams County, Group One, met recently for its November meeting at the home of Mrs. Freeman Glass, Gardners R. 2. Plans were made to fill fruit bags for the guests at the county home, Oren Bream, Gardners R. 1, showed colored slides of his trip to the west coast. The next meeting will be held in the form of a Christmas party on December 4 at 8 p.m. at the home of Mrs. Mac Lott, Gardners R. 1. There will be an exchange of gifts.

Mrs. George Long, Mrs. Wilard Weaver and Mrs. Ernest Bream attended the 42nd annual convention of the Society of Farm Women of Lancaster County last Saturday at the Penn Manor High School, Millersburg.

Ernest Hartman, Arendtsville, visited during the last week with his brother and sister-in-law, Mr. and Mrs. Harry Hartman, Bethlehem.

Guests over the weekend at the home of Ernest Hartman, Arendtsville, where his son and daughter-in-law, Mr. and Mrs. Herman G. Hartman, and family, Rockville, Md.

Bulleit Installs Officers

Ray R. Weigand, Scout executive for the York-Adams area council, praised the ladies for their support of Scouting.

District Commissioner Maddox introduced Scout leaders. District Training Chairman Carver presented the majority of the achievement awards. Scout Executive Rogers urged the Scout leaders to "secure additional membership and advancement during the next six weeks."

Dr. W. E. Tilberg made the report for the nominating committee and Attorney Edward B. Bulleit, president of the York-Adams area council, presided during the election and conducted the installation of officers.

Hear Col. McCartney

Sebastian R. Hafer was master of ceremonies.

Principal speaker was Colonel G. McCartney, commissioner of the Pennsylvania State Police, who told the group that "25 years ago, as a much younger member of the state police I was stationed in Gettysburg and met some of the finest people in Pennsylvania."

A Scout leader himself, Colonel McCartney said he became acquainted with Scouting after becoming a policeman.

"When I was youth playing on the coal piles at my home town of Coaldale, I knew nothing of scouting, and thus I did not miss it. But when I learned of scouting and the direction and training it gives, I determined that I would seek to bring its advantages to every youth."

"Basically whether a youth becomes a good citizen depends upon the parents and his environment. All boys are born good, if they go bad later someone has failed. Scouting with its training in character and skill, with its training in citizenship, does much to help good boys grow into good citizens. I am proud that my three daughters have all won the curved bar award in Girl Scouting and that one son is nearing Eagle rank in scouting while the other is beginning as a Cub Scout. As a Cub leader I will add that I have less trouble keeping 2,000 state police under control than keeping one Cub pack from running away with me, but I have more fun with the Cubs."

IKE FLIES TO GEORGIA FOR BRIEF REST

WASHINGTON (AP)—President Eisenhower left for Augusta, Ga., today for a rest before his good-bye tour of three continents.

A small White House staff and George E. Allen, businessman and personal friend, accompanied the President on the flight.

This is Eisenhower's 24th visit to the Augusta National Golf Club since his 1952 election. The length of his stay this time is indefinite.

Mamie To Follow

Mrs. Eisenhower will follow later by train. She delayed her departure to keep a luncheon engagement at the Capitol Hill Club. White House officials said that Eisenhower wanted to get in some rest before he undertakes a strenuous 11-nation goodwill tour beginning Dec. 4.

While in Augusta, however, work in preparation for the January session of Congress will continue. Several government officials, including Budget Director Maurice H. Stans, will be going down for conferences on the 1961 budget and possible new legislation.

There Last In October

The President has already had a meeting this week with Secre-

Breighner and Mrs. Rodney Ernst. Refreshments were served to the 153 persons in attendance. The refreshment committee comprised Mrs. Lloyd Reaver, Mrs. John Trostle, Mrs. Mervin D. Weikert, Mrs. Charles E. Bupp, Mrs. Samuel Dayhoff and Mrs. Fred Hartlaub.

3 DEPUTIES ARE OUSTED

MEMPHIS, Tenn. (AP)—The sheriff has fired three deputies accused of having intimate relations with women prisoners at the county jail.

Furthermore, Sheriff M. A. Hinds said others may be fired by the time he completes the investigation touched off by the "case of the pregnant prisoner."

Two of the deputies protested bitterly. Kenneth Mattox, 22, and David Climer, 27, said they were falsely accused. They said they were refused a lie detector test. Hinds said the discharged men were not involved with Lela Fay Fleck, 22, whose embarrassing pregnancy started it all. It was a separate matter involving two other women, he added.

Five-year Sentence

Mrs. Fleck, serving one to five years for robbery, is in City Hospital awaiting the birth of her baby.

Mattox and Climer, who both worked inside the jail, said the young women named by Hinds had threatened to get them fired for refusing to do favors.

The sheriff fired the three men without an announcement but Mattox and Climer went to news-men with their protest. The third deputy, John Chesley Lowry, 25, was another rookie on the force.

Hinds said affidavits in the case were sworn by Shelby Jean Pettyjohn, 21, of Memphis and Sheila Swann, 19, of near Winston-Salem, N.C.

Survivor Of Casey Jones' Wreck Dies

NEW ORLEANS, La. (AP)—William H. Crittenden, 82, who was on Casey Jones' Cannonball Express when it wrecked 29 years ago, died here Wednesday.

Crittenden was the last known survivor of the famed wreck on the Illinois Central at Valden, Miss.

Crittenden, a native of Centerville, Ill., remembered the crash vividly.

Crittenden said he watched four men carrying a cot. He said Jones was on the cot and that was his last memory of him.

Later he heard that Jones was dead and that his Negro fireman, Sim Webb, had leaped to safety just before the crash. Webb died several years ago.

tary of Agriculture Ezra Taft Benson on a new farm program to be submitted to Congress.

Eisenhower's last trip to Augusta was Oct. 21-25. During that visit he got in a few games of golf, but most of the time it was cold and rainy or—in Eisenhower language—bridge weather.

ROCKEFELLER TALKS TODAY IN LOS ANGELES

LOS ANGELES (AP)—New York Gov. Nelson A. Rockefeller said today that the United States has a higher goal than frustrating the ambitions of the Soviet Union.

That goal, he said, "is to make sure that the emerging international order will serve, indeed will save, the aspirations of all mankind for a life of freedom, dignity and justice."

Rockefeller — widely mentioned as a probable candidate for the Republican presidential nomination but still not ready to confirm or deny it — arrives here today to open a fast-paced, four-day speaking tour of the west.

In a text prepared for delivery to the Los Angeles World Affairs Council, he said:

"The tensions between the United States and the Soviet Union should not and must not obscure our awareness of the great and affirmative challenge before us, and the resisting of Soviet aggression is only a part, a necessary but a negative part, of our great task as a nation."

"We are not simply striving as a nation to heal the wounds opened by the so-called cold war. We are striving to make man himself — the commonwealth of nations — healthy and strong."

"Our Supreme Purpose"

"The test, therefore, of every action and every decision, must be more constructive, more profound and more serious than merely its usefulness as a momentary device to deter the aggression or check the claims of Soviet communism. Let me emphasize this."

"Our supreme purpose is not to defeat the intentions or the ambitions of others. Our supreme purpose is to struggle to achieve a world that respects our common heritage of belief in dignity and freedom of all peoples."

The New York governor heads north after a day in Los Angeles. He will make stops in northern California, Oregon, Washington and Idaho.

Girl Scout News
Brownie Troop 71 met Wednesday afternoon in St. James Lutheran Church with 27 girls present. It was announced that the regular meeting day will be changed to Monday. Money was collected at the meeting from the calendar sale. Games were played and the meeting closed with Indian taps. The next meeting will be held Monday, November 16. The leaders present were Mrs. Harry Ekdahl, Mrs. Orville Orner and Mrs. Leo Kuhn.

Circuit Supervisor Is Visiting Here

H. P. WOODWORTH

Harold P. Woodworth, the new circuit supervisor for Jehovah's Witnesses, is visiting the Gettysburg congregation. It was announced today by Harold E. Cluck, the local presiding minister. Woodworth is accompanied by his wife and is a traveling representative of the Watchtower Society. They are visiting 19 congregations in this area and will train the local Witnesses in their door-to-door ministry, in presenting brief Bible sermons at the homes, answering Bible questions and establishing free home Bible studies.

The purpose of this special week of activity is to promote a better understanding of the Bible and encourage more Bible discussion by people of all faiths in the community, Cluck said.

Saturday night at 8 o'clock Woodworth will speak at the Kingdom Hall, 115 Queen St. His subject "Watch Yourself and Watch Your Teaching." Sunday at 3 p.m. he will give a public address on "Walking Wisely in a Wicked World." The public is invited.

WOMAN DIES AFTER BLAST FROM GRENADE

NEW YORK (AP)—A Staten Island housewife died today of injuries suffered in a mysterious explosion Tuesday night.

Death came to Concetta Giarletta, 41, as police sought to hunt down her slayer with a single clue—the handle of a hand grenade.

The woman's legs were amputated by physicians shortly after the explosion, and she underwent further surgery Wednesday for other injuries.

The kindly, ailing woman lost her legs in an explosion touched off when she lifted the garage door behind her house to let her husband drive the car in.

Police Lack Motive
Police found the grenade handle—bearing a serial number—inside the shrapnel-pocked building.

Police, lacking a motive, speculated that Mrs. Giarletta might have been the victim of mistaken identity.

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times

TWENTY YEARS AGO

Mrs. Hoover Elected Head of Mission Unit: Mrs. Harvey D. Hoover, Gettysburg, was elected president of the Adams county district of the Women's Missionary society of the Central Pennsylvania Synod, formerly known as the county conference of the West Pennsylvania synod, at the organization's annual convention Wednesday at the Biglerville Lutheran church. Mrs. Hoover succeeds Mrs. H. W. Sternat, Biglerville.

Other new officers are Mrs. Kenneth D. James, New Chester; vice president, succeeding Mrs. O. C. Dean of Hanover; Mrs. George H. Berkheimer, Arendtsville, re-elected secretary, and Mrs. Harry T. Harner, Littlestown, treasurer, succeeding Mrs. Maude Whiteleather, Gettysburg.

3 Candidates Win By Margins Under 100 Votes: Three successful candidates for county office, two of them Republicans, won by margins of 100 or less votes, it was revealed Wednesday evening when complete unofficial returns for the county voting became available. Daniel J. Wolff, Arendtsville, was elected sheriff by a margin of only 71 votes over Earl W. Guise, Strasburg township.

Lee M. Hartman, Cashtown, won the only Democratic victory on the county slate on Tuesday by a majority of 74 votes over C. Arthur Brame, Republican, in the race for prothonotary.

John C. Wible, Republican, former sheriff, defeated Associate Judge John C. Bream, a Democrat, for re-election by a margin of exactly 100 votes, according to the unofficial vote.

Gen. Cox Voices Peace Plea In H. S. Address: A hope for permanent peace was voiced by Brigadier General Albert L. Cox, Washington, D. C., in an armistice day address Thursday afternoon.

He spoke at a program held in Gettysburg High School under arrangements made by the Albert J. Lentz post of the American Legion.

The speaker saw in Armistice day the reverence of Memorial Day, the joy of Independence Day and the experience of Thanksgiving Day.

Governor Names Scharf To Lead "Give-A-Job" Plan: Harrisburg Nov. 9 (AP)—Governor James today called a meeting at the capitol next Wednesday to draft plans for the administration's "give-a-job" program and appointed a chairman in each of the state's 67 counties to direct the campaign.

The newly-appointed chairmen were asked to attend the meeting when an announcement said, "the drive to stimulate employment and reduce unemployment will officially open."

Henry M. Scharf has been named county chairman for Adams County.

Miss Vivian Strayer And J. F. Yake Jr. Are Married: J. Francis Yake Jr., Esq., district attorney-elect of Adams county, and Miss Vivian A. Strayer, Gettysburg, daughter of Mr. and Mrs. Elmer L. Strayer, Clear Springs, near Dillsburg, were married Friday evening in St. Mary's rectory, McSherrystown. The single ring ceremony was performed by the Rev. Fr. Patrick F. McGee.

Troop 79 Scout Drum Corps Closes Successful Season: The drum and bugle corps of Boy Scout Troop No. 79 of St. James Lutheran Church has closed a successful season during which it filled 18 engagements and earned \$300 of which \$45.50 was awarded as parade prizes. The corps traveled more than 1,000 miles to fill its 1959 schedule and Scoutmaster William Ridinger said engagements already listed for next year point to an itinerary with nearly double that mileage.

Today's Talk

SILENCE MEDICINE
Noise and nerves never get to be very good friends. Probably because they have never seemed to understand each other. More likely because they are fundamentally very opposite in nature. Noise is never so content as when troubling nerves. Nerves are never so happy as when they are a hundred miles or so away from noise.

If about two-thirds of the "tranquillizing" pill factories would go out of business, this world would be a happier place for people to live in. There is too much noise about. The poor nerves get tired and shaky. Hence the call for pills. Many times the greatest medicine in the world for "out-of-the-way" nerves is silence medicine. Where you and noise are not together. Where you can say to your nerves: "Well, nerves, here we are — out with the trees, and ground, and animals, and birds, and — silence."

How wonderful is silence! How the odds and ends are gathered up — in Silent Land. How affairs get quickly straightened out — where noise is absent.

The cheapest and most valuable medicine in the world is the silence medicine.

Why not prescribe it for yourself? Anyway, for a weekend!

Tomorrow Mr. Adams will talk on the subject: "Life's Extras" Protected, 1959, by The George Matthews Adams Service

Just Folks

IF YOU AND I
If you would smile a little more
And I would kinder be,
If you would stop to think before
You speak of faults you see,
If I would show more patience,
too,
With all with whom I'm
hurled,
Then I would help, and so would
you,
To make a better world.

IF YOU WOULD CHEER YOUR NEIGHBOR MORE
And I'd encourage mine,
If you would linger at his door
To say his work is fine,
And I would stop to help him
when
His lips in frowns are curled,
Both you and I'd be helping then
To make a better world.

BUT JUST AS LONG AS YOU KEEP STILL
And plod your selfish way,
And I rush on, and heedless kill
The kind words I could say,
While you and I refuse to smile
And keep our gay flags furled,
Someone will grumble all the
while
That it's a gloomy world.

The American Legion organized the Last Man's Club at a banquet at the Battelle hotel on Friday evening. The club has 112 members.

Officers were elected and the day before Armistice Day of each succeeding year was set as the time for the annual banquet so long as members survive. A bottle of champagne to be opened by the club's last member was on the banquet table and will be there for each annual gathering.

Horace E. Smiley, who recently retired as commander of the Lentz post, was elected first club president. These other officers were chosen: Vice president John A. Sheffer; secretary, Roy A. Alexander; treasurer, George W. Boehner; historian, William H. Allison; chaplain, Lloyd C. Keefe; and chairman of entertainment, Dorsey Rebert.

Howard Sheffer, chairman of the organizing committee from the Lentz post, was toastmaster. Group singing of old World War songs was led by Dorsey Rebert.

DIRECTORS OF 3 JOINTURES WILL DISCUSS MERGER PLANS

It was announced at the meeting of the Littlestown Joint School Board Tuesday evening at the high school building in Littlestown that Thursday, November 19, has been set as the tentative date for a joint gathering of Gettysburg, New Oxford and Littlestown school directors at Littlestown to discuss possible school mergers in this county.

President Dale W. Starry presided at the Littlestown Joint board meeting at which the resignation of one teacher was accepted and another was elected.

Mrs. Shirley Greenholt, a teacher in the First grade at Rolling Acres Elementary school, submitted her resignation, effective January 4. Jacqueline Blocher, Hanover R. 4, was elected to replace Mrs. Greenholt.

King's Report Given
Recommendations and improvements suggested by Jack Libby, inspector for the state Department of Health after a recent checkup on the high school and grade school buildings, were reported to the board.

Paul E. King, supervising principal, reported four teacher absences during the month. His monthly report also revealed that individual pictures of members of the senior class for the year book were taken as well as individual pictures of the other students at school. College night for members of the junior and senior classes was held on October 29 at Gettysburg High School and several of the local teachers served as group chairmen.

Report cards for the first marking period will be given out on Friday of this week. A field study and visit was made by the children of the third grade to Feeser's Dairy Inc., S. Queen St., on November 5. Grade Twelve members visited the Windsor Shoe Company Inc. on October 22. Administrative members of the faculty attended the schoolmen's meeting at the Gettysburg College lodge on October 21. Miss Charlotte Rodgers and Miss Mary Catherine Shildt, of the elementary faculty, attended a seminar for classroom teachers at the Southern District School in Bedford Springs, conducted by the Association. The Adams County School Directors convention will be held in Littlestown on December 5.

Nurse's Report Given
Bills and salaries were approved for payment by the board. Treasurer John Schwartz listed receipts of \$30,710.12 for the month and expenditures as follows: General control, \$68.99; instruction, \$24,604.94; auxiliary agencies and coordinate activities, \$3,027.04; operation of plants, \$2,031.01; maintenance of plants, \$2,107.46; fixed charges, \$111.59, a total expended of \$32,915.03.

The monthly report of school nurse, Mrs. Brenda B. Walker, was presented by Principal King which revealed that she had made 19 home calls and had 184 first aid treatments in school. Seven of these were referred to the family doctor for further treatment, two for treatment at the hospital and three for x-ray at the hospital. Physical examinations were completed by Dr. Leonard L. Potter in grade six and he is currently examining the pupils of grade one. Dental examinations are being made in grades one, three and seven by Dr. Richard M. Phreaner. The general health of the pupils is good.

Mrs. Walker attended a meeting of the Adams County school nurses in Gettysburg on October 15, a meeting of the Mental Health Association in Gettysburg Hospital and also attended three sessions of the conference on the health of school age children at the Holiday Motel on November 4 and 5.

Chicago Players Win MVP Awards

BOSTON (AP)—The selection of Nellie Fox of the Chicago White Sox as the American League's most valuable player of 1959 gave Chicago a sweep of the coveted awards, the first time Chicago has had two winners.

Ernie Banks of the Cubs was named the National League MVP last week.

Since the Baseball Writers Assn. of America took over the award in 1931, there have been three other times when players from the same city were named to the honors.

Those were Chuck Klein of the Phils and Jimmy Fox of the A's in 1932; Carl Hubbell of the Giants and Lou Gehrig of the Yankees in 1936, and Willie Mays of the Giants and Yogi Berra of the Yankees in 1954.

PA. SPENDING BILL TO BE SIGNED TODAY

HARRISBURG (AP)—Gov. Lawrence was expected today to sign into law the \$1,483,785,688 General Appropriations Bill, the vehicle for most state spending authorizations for the 1959-61 biennium.

The House and Senate gave final legislative approval to the huge spending measure Wednesday night, ending a five-week deadlock in a joint conference committee.

The money represents the largest budget, now scaled down to about \$1,820,000,000. As the fiscal picture now stands, the governor's budget submitted last March has been cut by about 50 million dollars.

Most of the new financing for the new budget came from increasing the oil 3 per cent sales tax to 3½ per cent last April and to 4 per cent in August. The 4 per cent rate is now equal to the highest in the nation.

Directors present at the meeting were President Starry, George W. Strevig, George S. Worley, Lloyd E. Crouse, Ray T. Harner, John W. Schwartz, Daniel Bair, Bernard Hess, Lewis C. V. Lippy, Wade H. Brown, Clement B. Hawn, Bernard W. Dutterer, Joseph Orndorff, Wilbur E. Mackley, Bernard Murren, Carl P. Bankert, Secretary Henry E. Waltman and Principal King. The next regular meeting of the board will be held Tuesday, December 8.

Borough Board Meets
The Littlestown Borough School board met on Tuesday evening at the high school with these directors in attendance: President Carl P. Bankert, who presided; Wilbur E. Mackley, vice president; Lloyd E. Crouse, treasurer; Henry E. Waltman, a nonmember, and Luther W. Ritter, secretary.

Receipts include: \$2,122 for real estate taxes, received from LeRoy W. Bish, tax collector; \$1,020 per capita taxes; \$583.94 received from Adams County Sheriff Dawson R. Miller, tax lien on the former Ralph A. White property; \$290.22 received from Adams County Register and Recorder Carl S. Menchey for one per cent property transfer tax within the borough. Expenditures follow: \$14,017.41 to the Littlestown Jointure: \$10.50 to Attorney Daniel E. Teeter, reimbursement on legal advance costs on a tax lien; \$184.12 bond for Tax Collector Bish; \$76.54 to Bish, commission on taxes collected; leaving a balance of \$65,985.76.

The board will meet again on Tuesday, December 8.

VETERANS' DAY ASSEMBLY IS HELD AT LHS

A Veterans' Day assembly was presented in the Littlestown Junior Senior High School on Wednesday morning. The students and faculty gathered in the school auditorium for the following program: Devotions led by Bruce Stair, president of the student body; Lord's Prayer; flag salute; group song, "America," accompanied by Miss Signe Wagnild, of the faculty.

Readings, "Veterans' Day Has Underlying Meaning," Bruce Stair, and "American Education Week Tribute," a tribute to the faculty, Wayne Garrett, senior class president; reading and poem, "In Memoriam" and "A Young Girl to the Unknown Soldier," Carol Baumgardner; Senior Chorus selection, "America, Our Heritage," accompanied by Donna Rabenstein and directed by Miss Wagnild.

A collection of poems concerning Flanders Field — "In Flanders Field," Edward Leister II; "Reply to Flanders Field," Bonnie Blocher; "Have We Been True to Flanders Field?" Donna Morelock; "A Soldier's Reply to Flanders Field," George Koons; "America's Answer," Paul Plitt. Song by the audience, "God of Our Fathers"; poem, "Our Heritage," Rita Bechtel; poem, "November 19, 1963 — November 19, 1942," Wanda Flynn; piano music "Battle Hymn of the Republic," Donna Rabenstein; moment of silence was observed at 11 a.m.; Senior Choir selection, "America, the Beautiful." While the chorus was singing, the American flag was displayed, spotlighted and waving. The program concluded with "Taps" played by Ernest Spamer. Stage lighting was in charge of Clyde Brumgard.

On Tuesday morning, the Student Council of the high school, in observance of American Education Week, conducted the school for the first period. Bruce Stair, student body president, served in the capacity of principal of the high school.

WSSC Meets

Mrs. Grace Emerson conducted opening devotions at the meeting of the Woman's Society of Christian Service of Centenary Methodist Church on Tuesday evening at the church. Mrs. Christine Jones spoke on "The Ten Commandments." The birthdays of Mrs. Lois Sells, Mrs. Grace Harner, Mrs. Bertha Harner and Mrs. Jones were noted. One guest, Mrs. Nellie Budd, a former member of the Society, now living in New Jersey, was in attendance. During the social hour, refreshments were served by Mrs. Marjorie Morelock, Mrs. Edna Waltz, Mrs. Maude Norton and Mrs. Olive Randall.

The annual Christmas party with exchange of gifts will be featured at the next meeting on Tuesday, December 8 in the Sunday School room of the church. Secret sisters will be revealed and new sisters chosen for 1960. The December hosts committee includes Mrs. Lois Sells, Mrs. Jean C. Harner, Mrs. Elsie Little, Mrs. Bess Rebert, Mrs. Violet Staveland and Mrs. Isabelle Nester.

Ladies' Aid Meets
The Ladies' Aid Society of Redeemer's United Church of Christ held its November meeting in the church social hall on Tuesday evening when the program opened with group singing. Mrs. Paul F. Crabb offered prayer and Mrs.

Claude Reichart read the scripture. There were selections by a little German Band known as "The Hungry Five" composed of these Littlestown High School students: Paul Plitt, James Kroh, Ernest Spamer, Donald Arbogast and Richard Hornberger. A reading was given by Mrs. Calvin M. Sentz Sr.

The December meeting was planned during the business session. A covered dish supper and Christmas party will be held for the members and their families on Tuesday, December 8, at 6:30 p.m. in the church social hall. The meat and dessert will be furnished and each member is asked to bring a covered dish food for the meal. There will be an exchange of \$1 gifts. Arrangements are in charge of Mrs. Clement A. Sneering, Mrs. Samuel H. Higinbotham, Mrs. Glenn Finchbaugh, and Mrs. Hamilton C. Walker.

Mrs. Edward B. Gelman, president, presided for the business and heard the reports of Mrs. Donald C. Arbogast, secretary, and Mrs. Paul Crabb, treasurer. There was a report on the banquet served to the Littleton Shoe Company in October. Monies from individual summer projects were turned in. Mrs. Anna B. Leach and Mrs. Finchbaugh were appointed in charge of purchasing a clock for the church kitchen. There was a discussion on the church Christmas bazaar to be held Friday and Saturday, December 4 and 5, and the aid projects for the event. The bazaar committee includes Mrs. Sneering, chairman, Mrs. Charles A. Hafe, Mrs. Lottie Dutterer and Mrs. Calvin Sentz Sr. Mrs. Stella Wherley, Mrs. John W. LeGore and Mrs. William W. Seibert were appointed to serve as a nominating committee, and election of officers will take place at the December meeting. The guess package, contributed by Mrs. Hafe, was received by Miss Helen Myers. The program concluded with the Lord's Prayer in unison. Refreshments were served to the group by Mrs. Wherley, Mrs. Crabb and Mrs. Reichart.

Cotton Bowl Group Studies Prospects
DALLAS, Tex. (AP)—The Cotton Bowl Selection Committee is scheduled to meet today to map plans for a weekend checkup on possibilities for the Jan. 1 football game.

Felix R. McKnight, chairman of the committee, said a decision would be made on where to send representatives Saturday. McKnight stressed that while there are eight teams on the prospect list, none has yet been issued an invitation and that there was little chance of action along this line at least until after this week's games. Penn State is one of the teams.

Browns Happy With Milt Plum

CLEVELAND (AP)—Coach Paul Brown says he won't be looking for a quarterback in the annual draft in Philadelphia at the end of the month. Shaky at quarterback after Otto Graham retired in 1956, the Browns now are satisfied with Milt Plum.

What impresses Brown most about the 24-year old Plum is his ability to avoid interceptions. Only four of his aeriels have been picked off by enemy defenders this year.

Plum, a Penn State product in his third year with Cleveland, ranks fifth among the National Football League's passers with an average gain of 7.67 yards per try. He has completed 59.2 per cent of his passes second only to the 62 per cent completion by Los Angeles Billy Wade.

CELTICS HIT 151 POINTS; SEASON'S HIGH

By THE ASSOCIATED PRESS
The fire power of the Boston Celtics is such in pro basketball that they can "skip" a quarter and still roll up a score approaching record proportions.

The Celtics scored only 19 points in the second period of Wednesday night's National Basketball Assn. game with Cincinnati. But they blasted in 132 in the other three and wound up with a season high in a 151-118 victory over the Royals.

With 41 points in the first period, 48 in the third and 43 in the fourth, the Celts had an easy time protecting their one-game Eastern division lead over Philadelphia, which downed Detroit 119-105 in the league's other game.

Chamberlain Stars
Wilt Chamberlain again was the Philadelphia leader, scoring 41 points.

Boston, with Cincinnati's Jack Twyman in the midst of a 49-point night, pulled well away as Bill Sharman scored 15 points and Bo' Cousy and Tom Heinsohn added 10 apiece in the third period. Sharman wound up with 32 points, Heinsohn with 22 and Cousy with 16.

Walt Dukes, a 7-footer, kept Detroit close to Philadelphia until he had to be rested because of excessive fouls midway in the third period. Then Chamberlain & Co. ran away, nailing the game with 12 straight points for an 80-63 lead.

Dukes had 22 points, while Chamberlain scored 41.

Warriors Wind Up Friday At Hanover; Biglerville, Delone At Home Saturday

Gettysburg, Biglerville and Delone Catholic will ring down the curtain on the 1959 football season this weekend against rugged opponents.

The Warriors travel to Hanover Friday night to oppose the unbeaten Nighthawks in a South Penn League game. Biglerville and Delone have Saturday evening contests. Biglerville will meet York Suburban on the Canners' field while Delone hosts Allentown Dieruff at McSherrystown.

All games are scheduled to start at 8 o'clock.

Gettysburg At Hanover
The Gettysburg High School Warriors are conceding nothing to the undefeated Hanover High Nighthawks, 1959 South Penn champions, for their final game at Hanover Friday evening.

So says Warrior Coach Don Young as his charges prepare for their 31st meeting with their old rivals. "Records mean nothing in this series and we all feel we have a chance for victory," the Warrior mentor added.

A victory over Hanover would mean much to the Warriors who have undergone a drab season with a 2-5-1 record to date. It is unlikely that Hanover (9-0) will take his game lightly as the Nighthawks will be gunning for their first undefeated season since 1947.

Heilmann Top Threat
Commenting on the coming game, Coach Young said "We'll have to stop Jim Heilmann, the South Penn's leading scorer, and all of our players will have to play far above average to pull an upset." Heilmann has tallied 91 points in league play this year.

Ted Kehr, brilliant Hanover quarterback, is nursing an injury and is a doubtful starter against the Warriors.

Seven seniors, plus one junior who will be ineligible next year because of the age limit, will be playing in their final game for the Warriors.

In Last Game
The seniors are Bob Furney, Jason Gulden and Larry Rohrbach, backs; Bob Grosholtz, guard, and Eddie Simpson, center. The junior is Eddie Baker, tackle.

Four other letterman seniors who started the season only to be side-lined by injuries will not don uniforms. They are Mike Small, end; Don Goldsmith, guard; Bill Shoemaker and Hardy Nichols, backs.

Hanover holds an 18-11 edge in victories in the series which started in 1927. One game ended in a deadlock. Last year the Warriors triumphed 19-14.

York Suburban At Biglerville
Upended last Friday at Littlestown after compiling a seven-game winning streak, the Biglerville High Cannons will go all out for victory when they finish their season against highly-regarded York Suburban at Biglerville Saturday evening at 8.

York Suburban, a comparatively new school, is competing in football on a varsity level for the first time this season and Coach Otto Kneidinger has turned in a creditable 5-2-1 record.

The Trojans defeated were at the hands of Delone 19-13, in a game which saw the Squires rally late in the final period to snatch victory, and unbeaten Hanover 21-0.

Wolman Leads Trojans
Henry Wolman, halfback, is the ball-toter likely to cause the Canners the most trouble. Throughout the entire season Wolman has proven himself a fine break-away runner with plenty of speed and he is one of the top scorers in this area.

Heading the list of an even dozen seniors who will play their final game for Biglerville is Kermit Jacoby, 150-pound halfback, who has tabbed 18 touchdowns in sparking the Cannons to a 7-2 record and the current top rating in the Class B Division of the Lower Susquehanna Conference.

In addition to Jacoby, Coach Jack Emanuel will lose the following seniors: Vance Johnson, Harold Vines and Dennis Donahar, backs; Larry Eckenrode, Ted Orner, Richard Kane, Jack Franz, ends; Wayne Schwartz, Gary Breighner, tackles; Barry Birgen-smith, guard; Ronnie Yasovsky, center.

Dieruff At Delone
A newcomer on the Delone Catholic High School football schedule, Allentown Dieruff, will be met Saturday evening at 8 o'clock on the McSherrystown field as the Squires bring their season to a close.

Dieruff sports only a 2-6 record but several of its losses have been to traditionally powerhouse teams of Eastern Pennsylvania.

After defeating Whitehall 34-6 the Dieruff team skidded into a six-game losing streak, bowing to Farrell 32-0, West Scranton 26-0, Easton 20-0, Wilson Boro 7-0, Allentown 13-7, and Bethlehem 7-0. Last Friday the losing streak came to an end with a 20-0 verdict over Nuhlenberg, Twp.

Frank O'Keefe, Dieruff coach, will probably start a lighter but

Minister's Wife To Referee Games

AMES, Iowa (AP) — A minister's wife will have the last word in some Iowa high school basketball games this winter.

She will be the referee. "My husband was wonderful when I suggested it to him," Mrs. Carol Ziegler says of her plans to officiate at boys' basketball games.

Her husband is assistant pastor of Collegiate Presbyterian at Iowa State University.

Mrs. Ziegler was an outstanding forward on the Olin High School girls basketball team in 1950-54.

But the 22-year-old mother also was attractive enough to be named "queen of furrow" in an Iowa beauty contest in 1957. The Zieglers have a one-year-old son, Paul.

Mrs. Ziegler will wear black slacks with the usual striped shirt.

KOVAC HOLDS SCORING LEAD ON GRIDIRON

NEW YORK (AP) — Cincinnati's Ed Kovac, a free-wheeling halfback with a consistent scoring touch, remains major college football's top scorer of the 1959 season.

Statistics from the NCAA Service Bureau released today show Kovac with 13 touchdowns for 78 points and a seven point lead over Nolan Jones of Arizona State U. Jones had scored seven touchdowns but has added 20 conversions and three field goals for a total of 71 points. Abner Haynes, the attack-leader for unbeaten North Texas State, is next with 70 on 11 touchdowns and four conversions.

Kovac had two games remaining in which to protect his lead.

Snares Six Passes
Chris Burford of Stanford grabbed six passes in his team's 55-13 loss to UCLA and leads all receivers in number of catches with 42. However, Dick Evans of VMI has taken over as the yardage leader with 513 yards on 27 receptions. Burford has gained 503 yards. Evans also has caught seven touchdowns passes, one less than the leader — Paul Maguire of the Citadel.

In punt returns, All-America Billy Cannon of LSU remains the leader with 214 yards on 13 returns, compared to 210 on 12 returns by Jacques MacKinnon of Colgate. Kentucky's Calvin Bird is the kickoff return leader with 315 yards on 12 returns, to 314 on 10 returns for Pervis Atkins of New Mexico State and 313 on 13 by Brown's Paul Choquette.

SEEK COTTON BOWL TEAMS
DALLAS, Tex. (AP) — The Cotton Bowl Selection Committee is scheduled to meet today to map plans for a weekend checkup on possibilities for the Jan. 1 football game.

Felix R. McKnight, chairman of the committee, said a decision would be made on where to send representatives Saturday.

McKnight stressed that while there are eight teams on the prospect list, none has been issued an invitation.

Syracuse, the nation's No. 1 team, may be leaning toward the Orange Bowl since its players voted the Florida classic as their choice. However, Syracuse officials would not say what they planned.

McKnight said none of the teams on the Cotton Bowl list had an advantage over another but he admitted that the Mississippi-Tennessee game at Memphis Saturday as "mighty important."

"But so is Texas and TCU at Austin," he grinned.

\$15,000 GOLF TOURNAMENT OPENS

LAFAYETTE La. (AP) — The second annual \$15,000 Lafayette Golf Tournament opened today with husky Billy Casper serving notice his putting may make the difference.

The 28-year-old swinger from Apple Valley, Calif., one of pro golf's leading money winners with more than \$28,000 earned this year, shot a blistering practice round Wednesday. He needed only 13 putts on the first 15 greens.

Many of the touring pros found the Oakbourne Country Club course a soft touch in practice rounds. Defending champion Jay Hebert was one-under-par with a 71 over the bone-dry layout.

Other chief contenders for the title included Bob Goaltby of Bellefonte, Pa., another big-money winner this year, and the ever-consistent Doug Ford of Crystal River, Fla. Japanese ace Tadashi Katti and newcomer Mason Rudolph of Clarksville, Tenn., were also given strong chances.

3 UNDEFEATED TEAMS LEAD IN TOTAL OFFENSE

By THE ASSOCIATED PRESS

Three of the four major undefeated and untied teams — Syracuse, North Texas State and Southern California — rank 1-2-3 in total offense, and the fourth — Texas — join the big three among the first seven teams in rushing.

Figures released today by the NCAA Service Bureau show Syracuse, the nation's No. 1 team, first in total offense, first in scoring and third in rushing. North Texas State is third in total offense, fifth in scoring and first in rushing.

Southern California is fourth in total offense and in rushing. Texas is seventh in rushing.

Average 33.9 Points
The Orangemen have scored an average of 33.9 points, gained 420.3 yards and rushed 295.9 per game. Mississippi is second to Syracuse in scoring with an average of 31.3 per game, Iowa is second to the Orangemen in total offense with 408.7 yards per game and New Mexico is second to North Texas State in rushing with 299.8 yards per contest.

The forward passing leader is Stanford. The Indians have gained 205 yards per game in the air. They wrestled first place from San Jose State by gaining 214 yards in a losing game to UCLA last Saturday. San Jose State is second with 196.9 yards a game.

Virginia Tech has completed the most touchdown passes, 14, and Arizona State U. has had the fewest interceptions, only two of 84 passes.

WAITING FOR SYRACUSE U.

MIAMI, Fla. (AP) — The Orange Bowl committee is giving Syracuse time to decide if it wants to play in the New Year's Day football game here.

When the invitation first was extended to top-ranked Syracuse, Chairman Van C. Kussrow of the Orange Bowl Selection Committee said an immediate decision was wanted or other teams would be considered.

However, other committee members Wednesday counseled against a quick decision. In addition, the committee learned it will have to wait until after the Southeastern Conference season ends before it can invite such teams as Georgia, Georgia Tech and Tennessee — all mentioned as possibilities by Kussrow.

Syracuse players have voiced enthusiasm for a Miami game but athletic officials at the school said other factors must be considered.

The other team in the Orange Bowl will come from the Big Eight Conference.

Play Blue Bonnet Bowl December 19

HOUSTON, Tex. (AP) — Houston's Bluebonnet Bowl, scheduled Dec. 19, will be eyeing teams in four games Saturday.

Scouts will watch the Mississippi-Tennessee, Texas-Texas Christian, Alabama-Georgia Tech and Louisiana State-Mississippi State games.

Elvin M. Smith, president of the Greater Houston Bowl Assn., said Clemson, Georgia, Southern Methodist, Arkansas and Syracuse also had been contacted.

He added that all except Syracuse expressed interest.

FALCON BACK GETS HONOR

BOULDER, Colo. (AP) — "I'm tickled . . . really thrilled . . . and very proud."

Colorado quarterback Gale Weidner modestly mumbled these words Wednesday when he found out he'd been named football "back of the week" by The Associated Press for his passing performance last Saturday against Kansas.

"I'm greatly honored," said the passing poise of a pro. "Give credit to my teammates. Though they were the ones who made the honor possible."

Weidner had quite a day for himself against the Jayhawks, who entered the game a 10-point favorite. The aerial ace from Troy, Mont., completed 10 of 17 passes for 126 yards and three touchdowns that gave the Buffs a 27-14 triumph. He ranks fifth among major college players in total offense and ninth in passing.

Kansas Coach Jack Mitchell described Weidner as "by far the best passer we've faced this season."

The above Gettysburg High School football players will conclude their scholastic careers when the Warriors meet Hanover on the latter's field Friday evening. Seven are seniors and the other is the team manager.

At the top are Dick Scott, tackle, and Jim Snead, guard; second row, Bob Grosholtz, tackle, and Eddie Simpson, center; third row, Bob Furney, fullback; Larry Rohrbach, halfback; bottom row, Jason Gulden, halfback, and Bill Rentzel, manager, who was ineligible this year because of age.

Another member of the squad, Eddie Baker, 180, junior tackle, will be ineligible next season because of the age limit.

APARICIO IS EDGED OUT BY NELLIE FOX AS AL'S "MVP"

By BOR GREEN
Associated Press Sports Writer

BOSTON (AP) — Tobacco-chewing Nellie Fox, the Chicago White Sox' gritty little second baseman, today was named the American League's most valuable player for 1959.

Fox edged teammate Luis Aparicio, the shortstop half of Chicago's brilliant double play combination, in balloting for a 24-man committee of the Baseball Writers Assn. of America.

Fox and Aparicio, who provided Chicago with vital up-the-middle defense in the White Sox' drive for their first pennant in 40 years, were the only two players listed on all ballots. They divided all the first place votes between them.

Early Wynn Third
Fox polled 295 points in the voting, while Aparicio had 255. Early Wynn, Chicago's burly right hander, drew 123 points as the White Sox swept the first three places in the poll.

It was the first such award for Fox, a quiet, unassuming 31-year-old veteran whose huge cud of tobacco is almost as much a trademark as his consistent, determined play. It also marks the first time a White Sox player has been selected since the baseball writers took over the award in 1931.

Fox' selection gave Chicago a sweep of the MVP awards, only the fourth time a single city has had both American and National League most valuable players. The Cubs' Ernie Banks was named to the National League MVP award last week.

Other principal American League vote-getters were Cleveland's Rocky Colavito and Tito Francona, Al Kaline of Detroit, Jim Landis of Chicago and Harvey Kuenn of the Tigers.

Fox contributed 191 hits and a

Jap Semifinals Won By Yankees

TOKYO (AP) — America's doubles team of Barry MacKay and Myron Franks swept through the semifinal rounds of the doubles match in Japan's National Tennis Championship today.

They defeated the Japanese pair of Kaname Kobayashi and Hiroshi Saito, 1-6, 6-4, 7-5, 6-1 in the quarter-final round at Tokyo's Denan Coliseum. In the semifinals, they beat Tetsuo Mochizuki and Mutsuo Shinomiya, 7-5, 6-4, 6-4.

The Americans will meet Atsushi Miyagi and Yoshihisa Shibata, both members of the 1959 Japanese Davis Cup team, Sunday in the final.

DEAN LOOK TO PACE MICHIGAN STATE AGAINST THE WILDCATS

By JACK CLARY
Associated Press Sports Writer

Now it's Northwestern's turn to catch a glimpse of the new Look. That would be Dean Look, the man Michigan State warned the Wildcats to beware of this Saturday.

He's the same man who last year was one of the Big Ten's finest halfbacks and this year has turned out to be its best all-around quarterback.

Any wariness Northwestern may have as it battles Michigan State to keep at least a tie for the Big Ten lead with Wisconsin is founded on the sad experiences of four previous opponents, and MSU Coach Duffy Daugherty's outright praise for Look.

Helped Beat Irish
The Lansing, Mich. senior has passed for seven touchdowns and scored one in keeping the Spartans at 4-3 for the season. But he had to acquaint himself with the intricacies of a new position and shake off an early-season injury bug.

"He's just what the doctor ordered for the squad," Daugherty said after Look paced Michigan State to a 19-0 victory over Notre Dame. "He has good poise, excellent judgment and has been an inspiration."

Wisconsin Wednesday worked on plays aimed at avoiding linebacker Bill Burrell of Illinois, whom the Badgers play Saturday.

Tennessee guard Joe Schaffer, who won lineman of the week honors for his play last week against Louisiana State, was confined to the infirmary with a knee infection. He was expected to see action against Mississippi Saturday.

CAMPBELL IS TOP OFFENSE GRID PLAYER
KANSAS CITY (AP) — Gary Campbell of Whittier (Calif.) College has increased his average about 50 yards a game since mid-season and retains the total offense leadership in National Assn. of Intercollegiate Athletic football statistics.

Campbell has an average of 226.4 yards a game for a total offense yardage of 1,585 this season. He was instrumental in vaulting Whittier to the team offense lead this week with 442.1 yards a game and the team passing lead with 193.3 yards a game.

Garney Henley of Huron (S.D.) cracked the NAIA scoring record with his 34 points over four seasons. He is within nine points of the single season record of 150 with one game to play.

Leads Passers
Jim St. Clair leads NAIA passers with a 163.9 average and his teammate at the University of California at Santa Barbara, Fred Tunncliffe, is the No. 2 receiver with 34 catches for 690 yards. Willie Richardson of Jackson (Miss.) State leads receivers with 88.3 yards a game.

Leading rusher is Bobby Fowler of the University of Tennessee at Martin with 148.2 yards a game. Willie Young of Bethany (W. Va.) is top punter with a 44.9 average.

Lenoir Rhyne of College of Hickory, N.C., unbeaten in seven games, was rated first this week followed by Hillsdale (Mich.), Western Illinois, East Texas State, Southern Connecticut, Presbyterian (S. C.), Louisiana Tech and Huron. West Chester (Pa.) Teachers and William Jewel are tied for ninth.

In their last 65 games, Chicago White Sox pitchers turned in 22 complete games.

JIM BROWN TOP SCORER IN GRID LEAGUE

PHILADELPHIA (AP) — Fullback Jimmy Brown of Cleveland, who has led the National Football League in rushing all season, now has taken over first place in scoring.

The bulldozing Brown, who has been a one-man show for the Browns, scored two touchdowns Sunday against Philadelphia to bring his season's total to 10 for 60 points.

He is trailed by Tom Davis, San Francisco, 55 points; Bobby Joe Conrad, Chicago Cardinals, 53; and Bobby Layne, Pittsburgh, 51.

Meanwhile, Brown has gained 962 yards on the ground in 183 carries for a 4.7 average. Second in rushing is J. D. Smith of San Francisco, who sows 696 yards in 139 carries for a 5.0 average. Ollie Matson of Los Angeles is third with 667 yards in 116 tries for a 5.9 average.

Leading Passer
Quarterback Ralph Guglielmi of Washington, who has been sidelined the past two weeks with injuries, backed into the passing lead as last week's leader, Billy Wade of Los Angeles, failed to maintain his average gain. Average gain determines the leaders in passing.

Guglielmi has completed 26 of 60 pass attempts for 515 yards and an 8.58 average. Wade, has 85 completions in 137 attempts for 1,133 yards and an 8.27 average.

Ray Barry, Baltimore, caught only four passes Sunday against Washington but his 44 catches for the year gives him a wide edge in the receiving department. He has gained 643 yards, more than a third of his team's total.

Behind Barry are Billy Wilson, San Francisco, 31-412; and Frank Gifford, New York, 28-531.

New York's Don Chandler continues to be tops in punting with a 47.7 average. Second is Tom Davis of San Francisco with a 45.6 average.

"BALD EAGLE" WINS BIG ONE AT LAUREL, MD.

By GEORGE BOWEN
Associated Press Sports Writer

LAUREL, Md. (AP) — It took an international incident to give Bald Eagle his American name and it took an international horse race to make him world famous.

Bald Eagle, a American-bred 4-year-old gained world-wide acclaim Wednesday when he beat the equine prizes of eight other nations in the roughly ridden \$100,000 Washington, D.C., International.

But for the Suez Canal closing which created international tension in 1956, the son of Nasrullah might well have raced under the name of Nasser. Capt. Harry F. Guggenheim, owner of the Cain Hoy Stable, originally called the rugged bay colt after Egypt's Premier.

Bald Eagle won the Eighth International by a comfortable 2 1/2 lengths over France's Midnight Sun while other contestants behind him knocked each other for a loop.

The jockeys on horses from Venezuela and Australia jolted each other from their seats about halfway through the race.

Soviet jockey Nikolai Nasibov, up on Garnir, rode most of the way with a bloody nose and said, "This is not a race, it is more like a football game. They ride like they do not have brains."

Garnir finished fifth.

"Roughest Ever"
America's ace jockey of 28 years' riding experience, Eddie Arcaro, considered himself lucky for having avoided the banging around.

"It was the roughest I've ever seen, and I've ridden in a few of them," said Arcaro who finished fourth on France's Mi Carina.

The other U.S. entry and the betting favorite, Mrs. Herbert Herff's Tudor Era, came in third.

Bald Eagle escaped the scrambling by breaking second and staying there until with about half a mile to go jockey Manuel Ycaza, of Panama, saw Tudor Era tiring and took the lead.

Bald Eagle reeled off the 1 1/4 mile in 2 minutes, 28 seconds. The previous fastest International was England's Wilwyn, 2:30 4/5, in the 1952 inaugural.

As the second choice, Bald Eagle returned \$9.20 and \$3.80 in the \$2 betting windows.

Senate Finance Committee Says No More Tax Bills Will Come Out This Term

By LEONARD A. UNGER
HARRISBURG (AP)—Chairman Edward J. Kessler (R-Lancaster) of the Senate Finance Committee said today the revenue-raising tasks of the 1959 Legislature are ended.

Any new effort to increase taxes in the waning current session won clear his committee, he told the Associated Press. Kessler emphasized this would apply even to any tax plan to finance more state aid for schools.

Rep. Stephen McCann, House Democratic floor leader, acknowledged that it was questionable that any new taxes would be approved by the House Ways and Means Committee. All levies must originate there.

Change On Soft Drinks
As for extra school subsidies, McCann said the Democrats take the position that the proposed 55-million-dollar levy on stocks, bond and mortgage investments would be enough to finance them.

He said Democrats had no substitute at this time for that House-passed tax even though Senate Republicans contend it is dead.

The state's continued final legislative approval of a plan to impose the 4 per cent sales tax on soft drinks at the consumer level. It is now collected at the distributor level.

Revolt Quelled
The House barely approved the soft drinks tax change Wednesday night before sending it to Gov. Lawrence's desk. The 108-56 vote came after both Democratic and Republican floor leaders put their prestige behind the bill to quell a

adopted the compromise.

Five-day Session
Final Adjournment—Both chambers planned a five-day session next week, the longest for any week of the 1959 session now in its 11th month.

McCann said he hoped final adjournment could come then but Sen. James S. Berger, GOP floor leader, wasn't so sure. He intimated the windup may not come until after Thanksgiving Day.

Rep. E. J. Farabaugh (D-Cambria) threatened to have absent House members brought in forcibly unless they are officially excused for today's session.

School Compromise
It remained to be seen if Farabaugh would follow through on his proposal—something not seen in the House since 1921. Many assemblymen left for home Wednesday despite a plan to hand out their mileage checks today.

School Subsidy Freeze—Final legislative approval was given to a compromise that would give school districts at least the same state aid in the 1960-61 school year that they will have received in 1959-60.

As accepted unanimously by the House Wednesday night, the legislation would nullify decreases due under a recent report of the State Tax Equalization Board. The board calculates market valuation of real estate, a key factor in determining school subsidy payments.

HELM IMPROVES
PITTSBURGH (AP)—State Rep. W. Stuart Helm (R-Armstrong) is reported "doing well" after undergoing surgery in Presbyterian Hospital. The hospital did not disclose the nature of his ailment. Helm was operated on Tuesday.

SENATE GROUP APPROVES 57 MONEY BILLS

HARRISBURG (AP)—The Senate Appropriations Committee Wednesday approved 57 bills providing more than 125 million dollars for special budget items in 1959-61.

The full Senate is expected to act next week on the measures granting state aid to hospitals, homes, colleges and other institutions and programs. The legislation already has cleared the House.

Unchanged by the Senate were a \$34,227,335 appropriation to Pennsylvania State University and \$770,475 for state-aided homes.

None Receives Less
The Senate committee knocked out a 4½ million dollar appropriation for Philadelphia General Hospital, reducing the total hospital outlay from 32½ to 28 millions. Other adjustments were made in the hospital bill, but no institution will receive less in the next two years than it did in the 1957-59 biennium.

Appropriations in the package included:
Lincoln University, Chester County, \$606,200.
Elwyn Training School, Delaware County, \$2,343,000.
Flood control, \$2,039,000.
Downingtown Industrial School, Downingtown, \$154,550.
Williamson Trade School, Delaware County, \$66,000.
Glen Mills School, Delaware County, \$896,778.
Sleighton Farm School, Delaware County, \$930,000.
Cornplanter Indian Reservation, Warren County, \$600.

Pechin House Nears Historic Site Role

HARRISBURG (AP)—A \$5,000 appropriation for state acquisition of the Pechin House in Montgomery County as a historical site has won initial approval in the Legislature.

The House Appropriations Committee cleared the measure Wednesday for action by the full House. The sponsors had asked for \$20,000 but Committee Chairman J. Dean Polen (D-Washington) said local interests have agreed to make up the cut in the state share.

O. K. FISHWAY STUDY; DENY LEGISLATION

HARRISBURG (AP)—Money for a study of fishways in the lower Susquehanna River dams is assured although a legislative appropriation has been killed, says the chairman of the House Fisheries Committee.

Rep. William B. Curwood (D-Luzerne) said Wednesday "the administration has promised faithfully it will support the expenditure, but not by legislative appropriation."

"There'll be no curtailment of the study," Curwood said.

The \$75,000 appropriation bill, which already had passed the Legislature, was recalled from the governor's desk Wednesday. Curwood said the bill would be pigeon-holed.

The administration feared that financing the study by legislative appropriation would set a precedent for future sessions to impose more studies upon the fish fund, Curwood explained.

Executive Director William Voigt Jr. of the Fish Commission previously had expressed his opposition to dipping into the fish fund for the study. It was his position such a project should be financed privately.

Curwood said he had discussed Wednesday's developments with interested groups and they had accepted the administration's viewpoint.

PAIR ASSAULTS GUARD, FLEES INSTITUTION

HUNTINGDON, Pa. (AP)—A guard at the Pennsylvania Institution for Defective Delinquents was struck on the head with a hammer by two inmates in a short-lived escape attempt Wednesday, state police report.

The prisoners were picked up by police less than two miles away three hours after fleeing the institution's dairy barn.

State Police Sgt. Alfred Kidd identified them as Raymond R. Miller Jr., 23, of Stroudsburg, and Frank C. Metts, 20, of Fairchance.

The guard, George A. Luse, was reported in "fairly good" condition today with head injuries.

Kidd said Miller and Metts assaulted Luse, took his wallet and some of his clothes and fled in an institution truck. However, the vehicle bogged in a field and they continued on foot.

Although they carried a hatchet and a screwdriver, Kidd said the pair offered no resistance when picked up 1½ miles north of Huntingdon.

Q. Could you explain what is meant by the point system when you are selling a house? Is it possible that the seller can be charged anything for any of the different type loans that the buyer may secure in order to complete the purchase?

A. Frequently, when people are about to purchase a home, they will apply to a mortgage company for a mortgage. These mortgage companies, however, do not actually lend the money for the mortgage. They merely act as a broker between the prospective purchaser of a home and a lending institution, such as a bank or insurance company. In times when the supply of mortgage money is low, the mortgage companies must take the sale of mortgages by them more attractive to the lending institutions. To do this, they "sell" the mortgage to the lending institution at a price below the face amount of the mortgage. This difference between the face amount of the mortgage and the amount at which the mortgage is sold is referred to in terms of points, and the number of points which the mortgage company had to pay to sell the mortgage is passed on to the purchaser of the home as part of the settlement costs.

However, in certain types of mortgage loans, such as F.H.A. loans and G.I. loans, the purchaser is prohibited by federal regulations from assuming the cost of these points. In such cases, if the seller wants to sell his home to a purchaser obtaining such a mortgage loan, he the seller, usually must absorb the amount of these points. The seller, therefore, will end up actually receiving a sum less than what was considered the selling price.

Q. Can a person sue the government (town, city, township, state or federal) for damages? Is it true that a person can sue a government only if it gives you permission.

A. There is a Pennsylvania statute which requires that any person seeking to impose tort liability, or in other words liability arising out of negligence, on a "county, city, borough, town, township, school district or other municipality" must give notice of the claim in writing to the political subdivision within six months either of the origin of the claim or the date of the negligence complained of. With the exception of such notice, you would not have to obtain the permission of such political subdivision in order to bring suit against them.

As regards suits against the Commonwealth of Pennsylvania and the federal government, an action can be brought against them only when a cause of action exists and when the right to sue has been authorized by a statute. This would in effect be giving a person the right to sue only with the permission of the state or federal government.

Q. A woman ran into a parked car and damaged it. The owner of the damaged car gave the claim to a constable and a judgment was obtained. The constable could not collect and the judgment was filed with the prothonotary. Will this record automatically go to Harrisburg, so that the woman won't be able to have her driver's permit renewed?

A. If a judgment in excess of \$3.33 is entered and filed on a transcript from an alderman's hearing, it is the duty of the prothonotary to send a certificate of judgment to the Bureau of Highway Safety of the Revenue Department after sixty (60) days has elapsed from the date of entry. Before this is sent by the prothonotary, it will be necessary for the plaintiff to see to it that the jury fees are paid, because until this is taken care of, it is not considered a money judgment.

Presently the financial responsibility act gives the secretary of revenue the right to suspend a driver's license, who has been involved in an accident resulting in bodily injury, death or damage to property exceeding \$100 under certain circumstances where the driver has failed to carry adequate insurance. This suspension can now be invoked upon the report of the accident and even before entry of judgment.

FROSTY EFFECT

A frosty effect is perfect for holiday drinks! Dip tumbler rims in unbeaten egg white and then in sugar. Allow the frosty rims to dry before adding the drink.

GOOD FOR FRYING

Some cooks like to dip chicken pieces into undiluted evaporated milk and then roll in seasoned flour before frying.

ALWAYS TEST IT!

You need to test a baked product for doneness even though a recipe specifies a definite baking time. Ovens vary! To test a cake, insert a wire tester into the center; if no bits of uncooked batter stick to it — if it comes out clean — your cake is done.

SONNY RAY IS STOPPED BY H. JOHNSON

By CHARLES CHAMBERLAIN
Associated Press Sports Writer
CHICAGO (AP) — Harold Johnson, one of the greatest fighting machines in the business, returned to Philadelphia today and his \$60 a week job in a jazz combo.

"I don't get enough fights to live so I've got a five-piece combo," said the top-ranking light-heavyweight who stopped Sonny Ray in the 10th round in Chicago Stadium Wednesday night.

"We get about three night club dates a week. It pays each of us from \$50 to \$60. I play the drums."

First In Six Months
The nationally televised bout with Ray was his first fight in six months and only his 11th in four years. He won them all.

For a fellow who sees such little ring action, the 31-year-old Johnson was a superb specimen against Ray, dead and sure-footed with panther-like reflexes.

"I knocked him down in the fourth with a right but couldn't get at him to keep him there," he said afterward. "I think I could have got him any time like I did in the last round. But not having fought for so long I was skeptical."

62-8 Record
"I didn't accomplish anything but a good work out. All I can do is sit around, play the drums and wait for a fight I'd like to meet Archie Moore again for the title (Moore, losing on the cards, kayoed Johnson in the 14th five years ago) but all my contacts with Moore have no results."

Johnson, 175, now has a 62-8 record. Ray, who weighed in at 174, is 20-9-5.

RANGERS OF NHL TO HIRE NEW MENTOR

NEW YORK (AP) — The New York Rangers of the National Hockey League will hire a new coach, perhaps today, as a result of the illness of Phil Watson.

Whether the new coach becomes an interim appointment or keeps the club for the remainder of the season depends on Watson's recovery from an ulcer operation. General Manager Muzz Patrick said after the Patrick-coached Rangers snapped Boston's four-game winning streak, 6-3, at Madison Square Garden Wednesday night.

Out For Month
"Phil already is in the hospital but won't be operated on until probably Monday," Patrick said. "The doctor says he will be hospitalized at least two weeks after the operation and then need at least two more weeks convalescence."

Patrick, who was on the bench for the first time since he became general manager after the 1954-55 season, said:

"Coaching in this league is a full-time job and you can't do both that and handle the job of general manager, too."

Screens Candidates
Patrick said he started screening candidates for the coaching job Wednesday and said one he talked to was Alf Pike, former Ranger star now coaching Winnipeg of the Western Hockey League.

Patrick's return to coaching brought the Rangers' highest scoring output of the season — goals by Red Sullivan, Bill Sweeney, Ken Schinkel, Camille Henry, Dean Prentice, and Jimmy Bartlett — and only their third victory in 15 games. But Patrick insisted it was just a coincidence.

REPLACEMENTS WIN FOR BISON

By THE ASSOCIATED PRESS
Their National Hockey League careers may be over but Wally Hergesheimer and Danny Lewis still have the scoring knack for Buffalo in the American League.

Hergesheimer, pressed into a regular turn on the ice when top scorer Larry Wilson was injured, scored two goals and Lewicki had a goal and four assists as Buffalo whipped Rochester in the AHL's only game Wednesday night.

Hergesheimer's second goal was the big one, coming with 10 minutes left after goals by Guy Rous-

seau and Bob Nevin had pulled Rochester to within one at 5-4. Lorne Ferguson clinched matters — set up by Lewicki's fourth assist — five minutes later.

Billy Dea, Ivan Irwin and Dick Gamble had the other goals for Buffalo, which gained a fourth-place tie with idle Hershey — two points behind third place Rochester.

Besides Rousseau and Nevin, Claude Labrosse also scored for Rochester.

Wilson suffered a cut ankle early in the second period and never returned to the ice. How long he will be sidelined was indefinite.

Littlestown VFW TO HELP WITH SKATING RINK PROJECT

Three new members were enrolled in Mason and Dixon Memorial Post No. 6954, Veterans of Foreign Wars, at the first November meeting on Tuesday evening at the post home, W. King St. The new members are: Kenneth S. Arentz, Donald R. Klingan and William G. Ling. Past Commander Earl J. Weaver presided and reported on the October dance. The post agreed to cooperate with the organizations of the community in proposing a temporary ice skating rink this winter near the high school building. The post will meet again on Tuesday, November 24.

Lay Holiday Plans

Holiday activities were discussed at the meeting of the Eta Tau chapter of the Beta Sigma Phi sorority on Tuesday evening at the home of Mrs. Richard D. Thomas, W. King St. A covered dish supper preceded the business session. A Christmas party for the children of members will be held on Saturday, December 19, from 2 to 4 p.m. at the home of Dr. Leah A. Maitland, Maple Ave. Miss Jane Currens is chairman of the committee on arrangements. Mrs. Albert J. Bair and Mrs. John F. Feaser Jr. were appointed in charge of arranging a Christmas party for chapter members and their guests.

The meeting was conducted by the president, Miss Charolyn Graft, who heard the reports of Mrs. Gene R. Renner, secretary and Miss Currens, treasurer. A report of the October masquerade ball was given by Miss Currens, who also told of the Nov. 3 executive board session at the home of Mrs. Renner. The evening's cultural program on "Environment — Health, Work and Play" was presented by Mrs. Harold R. Hand, Mrs. Albert Bair, S. Queen St., will be hostess to the chapter for the next regular meeting on Tuesday, November 24.

Class Meeting Held

Mrs. Ruth Strevig read the opening Scripture lesson at the meeting of the Ever Willing Class of St. John's Lutheran Church, held on Tuesday evening at the church. Poems were read by Mrs. Hope King, Mrs. Myrtle Leister and Mrs. Joan Shanbrook. Plans were made to hold a Christmas party and covered dish supper in connection with the next meeting on Tuesday, December 8, at the church. The holiday program will be in charge of Mrs. Harriet Bolter, Mrs. Mary Beamer and Mrs. Mary Ellen Bortner. The class will go Christmas caroling to the shut-ins of the church on Friday, Dec. 18. During the November social hour, games were played and refreshments were served by Mrs. Shanbrook.

YF Hayride Planned

Members of the Junior High Youth Fellowship of Redeemer's United Church of Christ and their guests will enjoy a hayride on Friday evening, leaving from the church at 7:30 p.m. The group will have refreshments at the home of Mr. and Mrs. Kenneth K. Kroh, Littlestown, R. 2, before returning to town. The adult chaperons will be Mr. and Mrs. Richard D. Thomas and Mr. and Mrs. Wilbur J. Gobrecht.

A pre-Thanksgiving party for the public will be held by the Ladies' Auxiliary of the Fraternal Order of Eagles, Littlestown Aerie 2226 on Friday, starting at 8 p.m. in the social room of the FOE Home, W. King St.

The King's Daughters Class of Christ United Church of Christ will hold a food sale tomorrow afternoon, starting at 3 o'clock, in the POS of A Building, E. King St.

Plan Canvass Sunday

A hayride will be held by the Luther League of St. John's Lutheran Church on Friday evening at 7 o'clock for members and their guests. Following the ride, refreshments will be served in the church grove hall.

Canvassers participating in the annual Every Member Visitation in St. John's Church on Sunday will meet for a briefing session with the pastor, the Rev. William C. Karns on Friday at 7:30 p.m. at the church.

Prizes will be awarded and refreshments will be available at the weekly public party in St. Aloysius Parish Hall on Saturday evening, beginning at 8 o'clock.

The Luther League of St. Paul's Lutheran Church will have a hay ride for members and their guests on Saturday night, 8 o'clock, leaving from the church. The group will return to the church, where refreshments will be served by

the Loyalty class.

The Rev. and Mrs. David S. Kammerer, Cemetery St., have returned home after spending several days with their sons and families: Mr. and Mrs. Paul Kammerer and family, Emmaus; the Rev. and Mrs. John W. Kammerer and family, Lancaster; and their granddaughter, Miss Mary Gail Gouker, of town, who is a freshman at Millersville State Teachers' College.

CARVER NEEDS SPACE

Give the carver plenty of elbow room! Remove the water glass and bread-and-butter plate or salad dish from his place setting before he begins on the bird or meat.

WILL AUCTION PSU'S CHAMP ANGUS STEER

HARRISBURG (AP)—The life, if not the fame, of a grand champion steer is a transient thing. P. S. Flash, a 1,040-pound Angus which Wednesday brought Pennsylvania State University its second straight steer grand championship in the Pennsylvania Livestock Exposition, goes on the auction block Friday.

His status as the best steer in

the third annual show will bring the university a handsome price and his name will go down in the record books. But P. S. Flash is probably headed for the butcher's block.

Other PSU Titles

The 21-month-old black animal was purchased by the University last fall from Gilbert Watts of Bellwood, Blair County.

Another Angus owned by the university won the crown last year. The top prize was the only one of a number of titles won by Penn State Wednesday. Others were the reserve champion steer; champion Shorthorn bull; champion Hereford steer; champion pen of three Hereford steers; champion and reserve champion Shorthorn steers and

champion group of three Shorthorn steers.

Pennsylvania residents won these titles: Clayton D. Winebark, Rochester Mills, Indiana County, reserve Berkshire boar and sow; Jim Hazlett, Tarentum R. 2, champion Duroc boar; Clyde McConaughy and son, Smicksburg, Indiana County, reserve Duroc boar, champion and reserve Duroc sows; Reno H. Thomas, Beavertown, Snyder County, champion Yorkshire boar; Wellington A. Hiester Sr., Fleetwood, Berks County, reserve Yorkshire boar and sow, and Clyde McConaughy Jr., Smicks-

burg, champion Yorkshire sow. Clair Hartman, Gratz, Dauphin County, champion spotted Poland China barrow; C. Warren Leininger, Denver, Lancaster County, reserve champion spotted Poland China barrow; Wendell McKissick, Slippery Rock R. 3, Butler County, best pen of three spotted Poland China barrows; Old Home Manor Farm, Homer City, Indiana County, reserve champion Yorkshire barrow.

NEW COOK?

Note to new cooks: When you are making percolator coffee, use cold water; for drip coffee, use boiling water.

Will Repair Broken Transocean Cable

SYDNEY, N.S. (AP) — A repair ship heads today for a spot 200 miles off Newfoundland where a transatlantic cable was damaged Monday, knocking out 36 telephone circuits from France and Germany.

Five cable breaks occurred in the same area last February, prompting an on-board investigation of a Soviet trawler found in the vicinity. It was believed, although never proved, that the trawler's deep-riding plows might have cut the cable accidentally.

Two U.S. Navy patrol planes began scouting the area Wednesday for any ships that might have caused the latest break. Poor visibility forced them back to their base at Argentina, Nfld.

A spokesman for the American Telephone & Telegraph Co. said until repair crews examined the cable, there was no way of telling whether it was cut by a ship or damaged by some natural cause.

Littlestown GIVE MUSICAL PROGRAM FOR CLUBWOMEN

The annual November banquet for members and guests of the Woman's Community Club of Littlestown and vicinity was held Wednesday evening in the social hall of Redeemer's United Church of Christ. A musical program followed the turkey banquet served by the Hustlers' Sunday School Class of the church, arranged by Miss Marie Budde, a member of the education committee, which was in charge of banquet arrangements.

Miss Budde, a voice teacher at Gettysburg College, presented two students of the Junior class at the college, David Greenland, who appeared in several plays in the Allenberry Playhouse during last summer, including "Dark of the Moon," gave a brief story of this play and presented two selections from it including the ballad of Barbara Allen. He also sang his own guitar accompaniment "Who's Gonna Shoe Your Pretty Little Feet" and "Darlin' Nellie Gray." Maude Russell sang "In The Luxembourg Gardens," "Christopher Robin Is Saying His Prayers" and "The Prelude" from "A Cycle of Life," with Miss Budde as piano accompanist. The two students sang as duet selections "Will You Remember?" and "My Heart Stood Still."

Christmas Party Next

Mrs. Anna B. Leach gave the invocation prior to the meal. Miss Budde played and Miss Russell led group singing. Mrs. Luther W. Ritter, chairman of the education committee, was toastmistress and, as an introduction to Veterans' Day, quoted famous poems pertaining to the holiday. She also noted that "a symbol of our country in war or in peace is the flag" and presented a poem tribute to the flag. The individual table favors also carried a miniature flag.

There were greetings from Mrs. Robert J. Eckenrode, club president, who announced that the annual fashion show will be entered in the Federation Community Achievement Contest and that the next meeting would be the annual

Christmas party at the home of Mrs. Luther W. Ritter, Glenwyn Dr., on December 9, with the peace service committee in charge of the program and the legislation and citizenship committee serving as hostesses. Other members of the banquet committee were Mrs. John D. Basehoar, Mrs. Glenn Flinchbaugh, Mrs. J. Harvey Pettyjohn and Mrs. P. Bernard Weaver. Table centerpieces were fall floral arrangements.

The program concluded with "God Bless America" by the assembly.

Learn Folk Dance

A folk dance was learned at the meeting of Brownie Troop 61 on Saturday morning in the engine house. The girls also played games in charge of Mrs. George Schaefer and Mrs. Carroll E. Arter, leaders, and Donna Rabenstein and Grizelda Hahn, troop aides. Money from the sale of Girl Scout calendars was received. It was announced that the first birthday of Troop 61 will be observed at the meeting on Saturday at 10 a.m. at the engine house when a cake will be enjoyed.

Intermediate Girl Scout Troop 45 met after school on Wednesday in the engine house. The girls reported on work they have done on the interior decorator badge since the last meeting. At a gathering of the troop committee members, it was decided to hold a chicken salad sandwich sale sometime in January. A regular meeting of the troop will be held again next Wednesday at 3:30 p.m.

Surprise Party

A surprise party in honor of the 16th birthday of Miss Eileen Crouse was held by Mr. and Mrs. Vernon R. Reaver, S. Queen St., on Tuesday evening in the social room of the Eagles home. Gifts were opened and displayed by the guest of honor. Entertainment included group games and dancing. Refreshments were served to the following: Miss Crouse, Jackie Morelock, Louise Groft, Grieda Hahn, Sandi Hawk, Judy Flinchbaugh, Twila Ecker, Nancy Ruggles, Brenda Hollinger, Sheila Apple, Johnetta Bixler, Elaine Basehoar, Jane Wentz, Kay Little, Donna Rabenstein, Carolyn Cramer, Gloria Houston, Diane Crouse, Bernard Weaver, James Kroh, Edwin Elder, Jerry Hall, Larry Unger, Eugene Zepp, Larry Bair, George Collins, Gary Worley, Larry Crouse, Fred Miller, all of it or near town; Joan Wentz and Nancy Wentz, Reisterstown; Fred Snyder, Gettysburg; Johnny Reever, Taneytown; Mr. and Mrs. Glenn Reever, Taneytown, and Mrs. and Mrs. Vernon Reaver and daughter, Linda.

Ferree LeFevre, son of Mr. and Mrs. Benjamin B. LeFevre, E. King St., is now organist in Central Presbyterian Church, Chambersburg. He holds a Bachelor of Science degree from West Chester State Teachers' College and studied organ with Dr. Arthur E. Jones and Dr. George William Volkel. He is a former organist at Redeemer's United Church of Christ.

NELLIE FOX AMERICAN'S 'MVP' FOR '59

ST. THOMAS, Pa. (AP) — "I guess everything nice has happened to me now," Nellie Fox said today when he was told he had been chosen most valuable player in the American League for 1959. "It's a wonderful feeling," the tobacco chewing 31-year-old second baseman of the Chicago White Sox mused aloud.

Going Hunting

Jacob Nelson Fox, who was born in this small community not far from the Maryland State line on Christmas Day in 1927, was reached just as he returned from Washington, D. C., and was preparing to have a go at his favorite hobby — hunting.

He planned to be out all day with his rifle and dogs, then attend a dinner at nearby Lettenknecht Ordnance Depot tonight. Nellie said he will hunt until next month, then work at a bowling alley he operates in nearby Chambersburg, Pa.

Te isn't worrying about being in condition for spring training. "Keeping up with my two beagles keeps my legs in shape," Fox said.

15 Inches Of Snow Buries Helena, Mont.

HELENA, Mont. (AP) — Mounting drifts of snow buried much of Montana and paralyzed transportation today as an immense Canadian blizzard rushed hungrily down across the Plains states.

Fifteen inches of snow — a record — buried this capital city of 18,000 persons. Temperatures plunged to the zero mark. Airline service was halted at Butte, Helena and Great Falls. Roads were blocked. Train travel was slowed.

Five members of the Conewago Township Parent-Teacher Association were named representatives to the Adams County Council of Parents and Teachers Tuesday night at a meeting of the school. The delegates are J. J. McCarthy, Mrs. Ray Anthony, Mrs. Lloyd Deamer, James McDannel and John Adams.

A committee was appointed to meet with the school board to discuss transportation for children in the Oxford Road area.

Mrs. Paul Lawyer, chairman of the ways and means committee, announced that a bake sale will be held Saturday, Nov. 21, and a bazaar Tuesday, Dec. 8, at the school. Persons donating to the bake sale are to take the goods to the school between 6 and 10 p.m. Friday, Nov. 20.

Milton Lynch and Ray Rein-dollar were appointed auditors. It was announced 109 members are enrolled in the association.

Mrs. Catherine Groft, school nurse, spoke on "Continuous Health Supervision of Children and Nutrition." Franklin D. Purrington led devotions. The attendance banner was won by Mrs. Gertrude Kinneman's second grade. The next meeting will be Jan. 12 when the purchase of playground equipment will be discussed.

Hayes, 33, of Billings, was killed and two persons were injured in the collision of a car and truck near Laurel, Mont.

Heavy snow warnings were posted for parts of Nebraska and South Dakota and extreme north-west Iowa. Falls of four inches or more were indicated. Snow flurries flecked the Upper Great Lakes region and widely scattered showers were reported in Florida, Texas, Washington and in the Yuma, Ariz., area. Skies were generally clear to partly cloudy in other sections of the country.

Gettysburg Woman's League Unique In College Circles

A remarkable band of 6,000 women, virtually unparalleled in American higher education, over a half century has contributed a third of a million dollars — plus the great but intangible gifts of Christian ideals and consecrated loyalty to the college they love. They call themselves the Woman's League of Gettysburg College, a fellowship constantly striving to aid the oldest Lutheran College in America "spiritually, morally and financially."

The group is unique, college officials say, in that no women's organization at any other educational institution has consistently given so much over such a sustained period of time. Testimony to its effectiveness are several similar college women's guilds elsewhere modeled after the Gettysburg League.

This vital arm of Gettysburg College was conceived in 1908 under leadership of Mrs. Mary G. Stuckenberg, widow of a Lutheran pastor and professor. Years before, she had established the first Women's Missionary Societies in Lutheran Church. "Why can't we," she asked, applying an old ideal in a new field, "organize our Lutheran women in the interest of our colleges as they are organized for promoting missions?"

Growth Cited
At the first general convention of the league in 1911, 467 members were recorded. Today there are 20 subleagues in Pennsylvania, Maryland and Washington, D. C. (in Maryland — in Allegany County, Baltimore, Carroll Co., Frederick Co., and Washington Co.; in Pennsylvania — in Altoona, Chambersburg, Delaware Co., Gettysburg, Hanover, Harrisburg, Johnstown, Lancaster, Philadelphia, Pittsburgh, Reading, Schuylkill Co., West Shore, and York). Each subleague actively contributes to the success of the General League. Mrs. H. L. Crist, Altoona, a dedicated church worker, is General League president.

Members are church women, mothers of students, alumnae and friends. All are vitally interested

in Christian higher education as exemplified at Gettysburg College. The first major project of these zealous pioneers was the erection in 1922 of a Student Christian Association building costing over \$80,000 and the support of a religious worker among the students. The indefatigable women in 1935 raised \$20,000 toward an endowment fund for S.C.A. work. When the building burned in 1946, the league, at considerable expense, supported its reconstruction and expansion.

List Donations

The league has provided \$30,000 toward furnishing women's dormitories. In 1953 the organization gave a stained glass window and an organ designed by Virgil Fox of New York City for newly constructed Christ Chapel. The two gifts cost \$45,000.

Their most ambitious project to date was completed in 1958. A total of \$135,000 was subscribed to transform Brua Hall from an antiquated chapel into a modern music building. The league underwrote establishment of a well staffed music department in the college curriculum and complete modernization of the interior of the old building.

And today the league refuses to stand still. The women have set out to equip the college's new Student Building, and no doubt they will succeed. Two thousand folding chairs, stage curtains and furnishings for lounges, student organization offices and meeting rooms will cost \$50,000. Twenty-nine thousand is already in the "kitty."

Like the organization itself, one method by which the Woman's League raises funds is intriguing. A donor may have a loved one's name inscribed in one of the league's beautifully bound "golden books," shelved in the Student Christian Association building. The cherished volumes are in several categories, such as the golden books of Honor, of Students, of Youth.

Other money-raising methods can be hilarious. At a recent aft-

EXTRA TAXING POWERS GIVEN SCHOOL BDS.

HARRISBURG (AP)—Authority for local school districts to levy additional taxes to support their school building programs has passed the Legislature.

The House approved the measure Wednesday night, 154-0, and sent it to Gov. Lawrence.

At the same time it approved a bill authorizing drastic remedies to meet problems of chronically distressed districts. This bill also goes to the governor.

Could Take Over

It would permit county courts, upon petition of the state, to set up a two-member board of local citizens to take over operation of the districts.

This board would have the power to cancel contracts, increase taxes, impose new taxes, order collection of delinquent taxes, suspend professional employees and dismiss nonprofessional employees.

pend professional employees and dismiss nonprofessional employees.

Three-mill Limit

A school district would become subject to the proposed law when it fails to pay its teachers for 90 days, or defaults on its bonds for 90 days, or makes an unauthorized loan, or operates for two successive years with a debt equal to 2 per cent or more of its district's assessed property value or fails to pay certain other debts.

The special school building tax carries a limit of three mills.

It also stipulates that the revenues be set aside in a special capital project fund and that the special levy may not be in force for more than five years for any one project.

More Bill To Governor

Also given final legislative approval by the House and sent to the governor were bills that would:

Amend the Constitution to permit the auditor general and the state treasurer to serve two successive terms (150-4).

Authorize the relocation of businesses and families for urban redevelopment projects (151-3).

Authorize temporary detention of persons up to 48 hours for mental examinations (154-0).

Provide for election of city treasurers in third class cities (154-0).

Exempt farmers who sell no more than two gallons of milk per customer daily from the milk control law (183-1).

TOKYO (AP)—Korean President Syngman Rhee has offered to make South Korea a major missile base—the only one in Asia. He said the Soviet submarine threat is grave, that he understood the Soviets are now firing ICBMs into the Pacific and that war is inevitable if the Communists obtain military superiority.

Tune In WGET, 1450 On Your Dial

Young Moderns

BY VIVIAN BROWN

It seems pitiful that some girls just can't meet boys. One 18-year-old girl laments this condition, and says she just can't seem to get dates because she has none of the usual opportunities for introductions close at hand. She has no brothers and no friends living near her home.

What do you do about it, she asks because summer is a particularly lonely time.

Some of the ways to meet a man include:

1. If you are summer school bound, let's hope it is coed and that you choose a boy-type course, not pie making or sewing. There are a lot of home ec students in the bachelor girl bracket for that reason.

2. If you are going to a vacation resort, make sure it majors in golf, tennis and other man-size attractions. Get dad to take you to a fishing camp. (He'll be glad to get away from it all.)

3. Choose a hobby that attracts boys, and spend honest time at it. Take your choice:

(a) Photography: Attend classes, visit camera shops, go to lectures and exhibits.

(b) Art school: Take a course in painting, sculpting, drawing, visit the museums.

(c) Poetry and short story: These attract young men to classes, and it'll be fun attending discussion groups.

4. Attend shooting matches, ear races, other sports programs. Invest in a small sail boat, learn how to sail it, enter the races.

5. Learn the types of men who are attracted to you. People who resemble each other seem to have some out-of-the-ordinary feature in common — long nose, protruding teeth.

6. When you meet a man casually, avoid being overly-familiar. There is more to be gained in an air of mystery than in telling all on the first meeting. Give him a reason to see you again and to yearn for a date.

7. If you haven't located a summer job, seek one that offers man-meeting opportunities.

8. Avoid time-wasting types who mean nothing in your future.

3 BOYS, DOGS HAPPY AGAIN

COUPEVILLE, Wash. (AP)—All was well today among Windy, Babe and Moochie—three black Labrador retrievers — and their young masters, Jimmy, Mike and Pete.

The three dogs had been trapped Sunday high on Whidbey Island's Double Bluff, a sheer shoreline cliff on the southwest side of the Puget Sound island. Babe scrambled 100-feet down the cliffside to safety Monday and into the waiting arms of her owner, Peter Cuper, 15.

Early Tuesday, Moochie slid down to his master, Michael Small, 9.

Those who plan long sojourns away from home or to other shores.

9. Attend church parties and those held by local organizations. There is a much better opportunity for romance when the boy is a local citizen who may be reminded of you occasionally, by meeting you at social gatherings.

10. Make friends with girls your own age who have older brothers. This is an excellent chance to advance your boy-meets-girl stock,

Backs "No Strike" Rule In Hospitals

PITTSBURGH (AP)—State Atty. Gen. Anne X. Alpern says a no-strike rule for hospitals would be in order.

"Nurses recognize that, when you have sick people in bed, you can't leave them alone when there's a strike," she said.

Miss Alpern declined to comment on pending legislation that would ban hospital strikes. She held a news conference here Wednesday shortly before addressing a convention of the Pennsylvania Nurses Assn.

down to his master, Michael Small, 9.

The last one down was Windy and it took some help from a pair of seasoned mountaineers to restore her to her master, Jimmy Denamur, 11.

Windy had landed in the most precarious position on the 200-foot high cliff when the three dogs tumbled over the precipice, apparently while chasing a deer.

William Westbo, 26, and Paul Williams, 34, members of the Mountain Rescue Council, managed to reach Windy by use of an anchored safety rope.

HOSPITAL AID BILL NEAR VOTE

HARRISBURG (AP)—The Senate will push for a vote next week on 28 million dollars in state aid for hospitals.

The Senate Appropriations Committee approved the big spending measure Wednesday but the upper House recessed until Monday.

Cut from the measure was a proposed 4½ million dollar outlay for the Philadelphia General Hospital.

Sen. Edward J. Kessler (R-Lancaster) said that although the total was the same as approved by the House, the figures had been adjusted to make sure that each hospital got at least as much money as in the last biennium.

The grants are intended to reimburse hospitals at the rate of \$10 a day for the free care of indigent patients. There is no requirement that the money be kept separate from other hospital receipts. And in many cases the state money doesn't fully cover the cost of free care.

DE GAULLE IS PLAYING BIG SUMMIT ROLE

By JOHN M. HIGHTOWER
WASHINGTON (AP) — More than any other single leader, President Charles de Gaulle of France is dictating the terms and timing for an East-West summit conference.

In the process he is building up his own prestige and the power of the French position within the Western Alliance.

In the 10 months since he has been president—he had become premier in June 1958—De Gaulle probably has done more than anyone here really thought possible to give his country a decisive voice in the formulation of Western plans and policies. He has done it by exploiting French weaknesses as well as strength.

Many Amazed
United States officials are less amazed than at his operation. They have displayed privately some slight irritation at his disregard of President Eisenhower's wishes on summit timing. But many feel that De Gaulle's views are very close to those which the United States has traditionally held about getting to a summit. Walk, don't run.

Latest evidence of Gaullist diplomacy is to be found in his news conference at Paris Tuesday and the comparison of plans he laid out there with the known wishes of other summit participants.

De Gaulle announced that Soviet Premier Nikita Khrushchev will visit Paris March 15 and De Gaulle hopes he will stay about two weeks. He also said he wants

another Western summit gathering in advance of the East-West meeting.

Killed 1959 Meeting
Almost simultaneously, British Prime Minister Harold Macmillan, advocate of the hasty summit technique, was explaining to the House of Commons in London that he wanted the East-West meeting at an early date. But no one in Washington thought he had any chance of getting it.

Macmillan, Khrushchev and Eisenhower all more or less favored an East-West summit before Christmas. De Gaulle killed that by insisting that the meeting not be held until next spring.

One of Eisenhower's basic conditions for East-West talks is that the Western Allies be satisfied, so he went along with De Gaulle's technique. Macmillan had no choice unless he was willing to split the Western front.

Three Conditions
De Gaulle laid down three conditions for going to a summit. He said that first he must have his meeting with Khrushchev; second, there must be a relaxation of international tension; and third, the Western leaders must understand each other in advance of their negotiations with Khrushchev.

U.S. officials do not question De Gaulle's sincerity in making these requirements. But they do think his stated reasons only partially reflect the real pressures operating on him to slow down the summit process. They analyze these as follows:

1. De Gaulle is determined to meet Khrushchev before sitting down in a four-power conference with him because Macmillan and Eisenhower have had private talks with the Soviet leader.

2. The French president wants to explode the French nuclear weapon before the negotiations open. Otherwise, he will be at

Raymond Rosemeyer, left, and his stepson Peter Cuper, 15, inch along perilous cliff in attempt to rescue a black Labrador dog, lower right, from ledge overlooking Puget Sound at Coupeville, Wash. Three Labradors apparently fell down cliff while chasing a deer. One was coaxed to safety by Cuper and on Tuesday the second dog slithered to safety. (AP Wirephoto)

DEFENSE RAPS PROCEDURE IN MAFIA TRIAL

NEW YORK (AP) — A federal agent has told the judge and jury at the Apalachin trial that he saw several men running across open fields after state police interrupted the underworld convention at the estate of the late Joseph Barbara Sr.

The witness was Arthur J. Ruston, an investigator for the alcohol and tobacco tax division of the Treasury Department.

Ruston testified Tuesday for the prosecution at the federal court trial of 21 delegates to the meeting at Apalachin, N. Y., who are charged with conspiracy to conceal the nature of the gathering.

Well Attended
Three score underworld figures

a great disadvantage in taking about disarmament.

3. De Gaulle hopes to have brought about a much stable political situation in Algeria. Particularly, he is said to feel that Soviet good behavior with respect to Algeria is a necessary precondition for a summit meeting.

CEREMONIES CONDUCTED FOR VETERANS

By THE ASSOCIATED PRESS
Pennsylvanians slowed down the tempo of their lives Wednesday so that they might honor those, living and dead, who have served in America's wars.

Keeping the faith on Veterans Day, successor to Armistice Day, patriots in this annual renewal kept green the memory and the burial places of the nation's defenders who have passed beyond all wars.

The traditional ritual came at 11 a. m.—this was the hour World War I ended on Nov. 11, 1918—when, in silence and with heads bowed, people paused for a moment of reverence.

Offices Close
All state and city governmental offices closed for the day. Banks also made it a holiday. Mail service was limited to delivery.

tried to show there were discrepancies between their testimony at the trial and the statements they had made before other official agencies.

Defense counsel contend that the state police raid on the meeting was illegal and that therefore the testimony of the officers at the trial should be thrown out.

In schools commemorative services were conducted. The American Legion, Veterans of Foreign Wars and other organizations of former service men and women march in parades.

One of the biggest is in Pittsburgh.

The Army-Navy Legion is holding its main ceremonies in Philadelphia, as the Marine Corps League is doing in Harrisburg.

Groups Unit

Five other veterans groups join the Philadelphia Jewish War Veterans in observance at the grave of the unknown soldier of the Revolutionary War at Washington Square in central city.

Wreaths are being placed on the graves of other unknown soldiers of the revolution at Washington Crossing, in Bucks County.

AFL-CIO President Asks Contributions

WASHINGTON (AP) — AFL-CIO President George Meany called on the federation's 13½ million members Wednesday to continue their steel strike contributions despite the strike's end.

The AFL-CIO voted in September to try to get each member to donate one hour's pay each month to help the striking United Steelworkers Union.

Meany said today the contributions should be continued throughout the 30-day injunction period. "In fact until the hour the strike is settled."

Thousands Learn A Grim Lesson In Midwest; Face Effect Of Serious Drought

By ROBERT GOLDENSTEIN

CHICAGO (AP) — The farmer, his leathery face streaked with dust and perspiration, turned the faucet handle at the barn water trough. The sun was scorching and his hogs were hot and thirsty. The faucet gave a dribble, a wet gurgle and then nothing.

The farmer hurried into the house to the kitchen sink. No water there, either.

Alarmed now, he charged outside to the pump house. The gasoline engine was chugging full force. He ran the back of his hand against his bearded forehead.

Old Story

"It's dry," he muttered to himself. "The well has gone dry."

In town, a housewife turned on her bathroom shower. A trickle of muddy water dripped from the outlet. She fiddled with the handle. At the town's only factory, the co-owners went into a worried huddle with their superintendent. Why had this happened? Water, like air, was something you took for granted in the Midwest.

Grim Lesson

But this was a drought year in the early 1950s. The farmer, the housewife and the factory owners had just received their first hand lesson: You don't always get water by turning on the faucet.

Generally ample rains in the Midwest in recent years have eased or removed many of the water shortage problems associated with drought. But expanding populations and soaring industrial use of water have created serious long-range problems for some localities.

In northeast Ohio, for example, where one-third of the state's population lives, wells are drying up. Experts say residents will have to pipe water from Lake Erie to meet future needs.

Permits Required

The Iowa Legislature in 1957 passed a law requiring that industry and farmers needing water for irrigation first must obtain permits from the State Water Board.

Even a city such as Milwaukee, which overlooks the deep, blue waters of Lake Michigan, has a problem. The city and its environs are outgrowing a water distribution system that once was adequate.

Fortunately for most of the Midwest, experts say, water sources are ample to meet any emergency. The area abounds in lakes, rivers and streams. The problem, and it entails considerable outlay of funds, is to deliver the supply to the right place when it is needed.

Nature Will Lag

But one fact stands out when current Midwestern trends are projected into the future. If more and more wells are drilled into reservoirs of underground water to satisfy expanding populations and new industries, nature will not be able to keep up. When and where it falls behind, as is now happening in some sections, communities will have to turn to the region's abundant surface water in lakes and rivers for their supply.

That means pipelines or aqueducts—and higher water bills.

World Briefs

JOGJAKARTA, Indonesia (AP) — President Sukarno has told nations providing the bulk of the world's non-Communist foreign aid that Asia welcomes their help but "do not think that assistance will produce a nation in your own image."

Sukarno spoke in opening the four-day annual meeting of the Colombo Plan, under which the United States and members of the British Commonwealth aid the underdeveloped nations of Asia and Southeast Asia.

LONDON (AP) — Moscow radio has reported that the sun's gravitational attraction is shifting the orbit of Lunik II—in such a way that the Soviet moon rocket will burn up in the earth's atmosphere about next March.

The Lunik, which the Soviets say took the first photographs of the moon's far side, was fired on Oct. 4. It now completes one circuit of its orbit around the earth in 15 days.

BRUSSELS, Belgium (AP) — Official reports Wednesday said at least 200 Africans have been killed in fighting between tribes in the Ruanda trust territory.

Fighting between the Bahutu and Watusi tribes broke out last week. The Bahutus, once slaves of the Watusi, were taking revenge on their former masters.

PARIS (AP) — French war veterans Wednesday boycotted the armistice ceremony at which President Charles de Gaulle honored the nation's war dead. The boycott protested a cut in some veterans' pensions.

LONDON (AP) — President Eisenhower's Office announced today that the President had signed a bill to create a new federal agency to study and report on the effects of atomic energy on the environment.

senhower says the American chapel in St. Paul's Cathedral, dedicated to fallen U. S. servicemen of World War II, inspired in him "a renewed dedication to do everything possible to promote the cause of peace."

The President wrote to the English Speaking Union to express his appreciation to the Britons whose contributions built the chapel in London's great cathedral.

NEW DELHI, India (AP) — Three hundred shouting Indian students marched along New Delhi streets Wednesday, demanding that Prime Minister Nehru dismiss Defense Minister V. K. Krishna Menon.

The demonstrations followed strong Indian press criticism of Menon linking his leftist sympathies with India's current border troubles with Red China.

WEST CORNWALL, Conn. (AP) — George Vernon Denny Jr., 60, founder and moderator of the radio program America's Town Meeting of the Air, died Wednesday at Sharon Hospital.

PEEKSKILL, N.Y. (AP) — An unidentified New Brunswick, N.J., school boy has discovered what may be one of the world's rarest stamps.

A stamp expert said the stamp was issued by the British African possessions of Kenya, Uganda and Tanganyika. It bears a portrait of Queen Elizabeth II and Owen Falls Dam. The picture of the dam is inverted. The stamp was issued in 1954. No previous example of the dam inverted had been discovered.

NEW YORK (AP) — Frank N. Belgrano Jr., of San Francisco, president of the board of Transamerica Corp., died Wednesday in a New York hotel.

Cause of death was not immediately determined.

Belgrano was a past national commander of the American Legion.

Emmitsburg

2 EX-TEACHERS
COMPLAIN ON
ASSESSMENTS

Two maiden retired school teachers, who reside in Baltimore, where they have engaged in considerable real estate dealings, complained to the Frederick County Commissioners Tuesday morning that a new assessment on property they own in the Emmitsburg area is too high.

In the appeals hearing, attended also by Lumen Norris, supervisor of assessments, and W. G. Burgee, an assessor, the women contended that they were assessed three times as much as previously.

The land involved is an 84-acre tract with improvements located on the Hampton Valley Rd., west of Emmitsburg. It is near Camp Pioneer. Under reassessment of the Emmitsburg district, the property value was raised from \$1,320 to \$3,570.

Claim No Income
Complaining about their assessment were the Misses Annie E. and Millie A. Dewling. They contended they receive no income from the property, that they cannot rent a stone house to neighbors they consider desirable and that they receive no services such as police and fire protection. They also pointed out they are not on an improved road.

They told the commissioners, rather than pay the new assessment they would "throw buildings" (tear down) located on the property. The Misses Dewling spent the summer months on an adjoining property. They pointed out they bought the land in question only as a protection as to who their neighbors might be.

Burgie explained to the women that the county can not be bothered about old assessments. He said an effort is being made now to assessing properties at "what its worth now." He told the women that some properties have been assessed at ten times their former assessments.

County Third Lowest
The women contended that assessments were cheaper in Baltimore than here. It was pointed out to them that Baltimore City is assessed at 60 per cent of value, where Frederick County, third lowest in the state is assessed at only 41 per cent of value. It was also pointed out to the women that the county is now in the process of making an equitable assessment on all properties.

It was also explained to the women that before the new assessment was levied, some of their property had escaped previous assessment.

County Commissioner Mehrl Ramsburg also pointed out to the women that their property lies on a road that is on the 1960 roads program.

The commissioners took the complaint into consideration and said they would inform the women of their decision.

South, With Capricious
Rainfall, Has Big Problems

By PAUL SIMMONS

ATLANTA (AP) — The South, with heavy but capricious rainfall, has water problems in both traditional and modern patterns. Aggravating each are new demands for constant, dependable water supplies as new industries move in and old cities spread out.

Northward along the Eastern seaboard, there are few problems today but the threat of future shortages as populations boom in the dense belt of coastal cities from Delaware to Connecticut.

The traditional troubles in the South range from lowland floods in spring to blistering drought in late summer. Among new worries are a dangerously threatening drop in underground water level at a few inland locations and salt water seepage in fresh water supplies of some seaside cities, a problem which also occurs at some spots farther north.

No Real Shortage
Southern summer drought can bring mental torture as well as heavy economic loss. In 1954, after a third straight crop failure, a Georgia farmer killed himself. Crop losses that year in South-eastern states ran in the hundreds of millions of dollars.

U.S. Geological Survey engineer M. T. Thomson says the hardship and damage need not have been so severe. He emphasizes that the over-all problem for the South is not one of water shortage, since annual rainfall averages nearly 50 inches. It is a matter of will and know-how to control, conserve and

use the ample total supply.

The South has made progress in this direction and can point to a great array of public and private dams patterned after those of the Tennessee Valley Authority providing power, water supplies, flood control and recreation.

Public Apathy
The problem for water conservationists is public apathy during periods of good rainfall.

Another hazard to community water supplies in some spots along the Atlantic and Gulf coasts is salt water seepage into fresh water wells when consumption surges to high levels. J. T. Callahan of the Geological Survey's ground water branch says this can be overcome with artesian wells or supplies from uncontaminated areas nearby.

He says artesian water, accumulated over the ages and beyond the reach of any drought, is available in abundance in the coastal plain areas, which take in most of Florida and sizable strips of other states.

Some Sharp Drops
Only in a few places inland, reports Callahan, has the Southern water table shown any sign of dropping sharply and permanently as it has in some other parts of the nation. Among these danger spots are rice growing districts in Arkansas and Louisiana where there has been excessive pumping for irrigation.

Water problems north along the Eastern seaboard into New England are mainly those of making best use of water that is really available for most communities.

Need Comprehensive Program
One of the most complex problems along the seaboard is the division of the Delaware River basin's water among the states

FIRE FATAL TO
NEGRO FAMILY

PINE BLUFF, Ark. (AP)—Four persons burned to death in a house fire at nearby Tucker early Wednesday.

It was the third such tragedy in Arkansas since Sunday morning. In each of the previous fires four persons also died.

Those who died today were Negroes.

The victims were Susan Hargraves, 65, of Milwaukee, Wis., a visitor at the house; Ora Lee Robinson, 25, and Mrs. Robinson's two children, Frank, a year old, and Beverly Lynn, 3 months.

Luke Robinson, husband of Mrs. Robinson, was burned badly and may not live.

On Sunday, four Negro children died in a fire at Gould and the parents and both children of a white family were burned fatally at North Little Rock.

of Pennsylvania, Delaware, New York and New Jersey. The waters of the basin serve 21½ million — 1/5 of the U.S. population — and the heaviest concentration of industry in the nation.

After a two-year study, a group of Syracuse University political scientists reported the basin has sufficient water for at least the next 20 years. But the researchers

made a strong pitch for a basin-wide agency—with the backing of the federal government — to administer a comprehensive program for storage and orderly distribution.

Some Choice Remarks That
Make Hospital Patients
Very Tired --- And Gloomy

By HAL BOYLE

NEW YORK (AP) — Remarks that hospital patients get tired of hearing—or overhearing: "Just between us, Joe, why don't you quit stalling and get back to work?"

"Is that all the bigger you were? My cousin had gallstones as big as hen's eggs."

"Now, remember when we get inside—no matter how he looks, tell him he never looked better in his life."

"This Little Pill"

"The gossip in the corridors is that your surgeon left a sponge in somebody the other day. You been feeling particularly thirsty?"

"This little pill is to help your appetite. This little pill is to help you sleep. This little pill is to balance your hormonal anxiety. And this little pill is—"

"Oh, don't worry about your hospital bill now. You'll have plenty of time."

"Of course, you've got only yourself to blame. If you'd only taken proper care of yourself, the whole thing wouldn't have happened."

"Why not look on the brighter side? After all, they can't take out your gall bladder twice."

"Your nurse seems like a really friendly person. When does she get her old age pension?"

"Boy, you ought to see the nurse the guy down the hall has. What a knockout!"

"Before they take you upstairs for the operation I'd like to cheer you up on one point. I went over your life insurance policy with your wife last night, and everything seems to be okay."

"Don't Worry About Job"

"Hi, Joe! Seen any interesting bedpans lately?"

"Your friends can bring you all the bourbon they want, but you can't drink it here."

"Don't worry about your job. The boss is letting Fred do your work in his spare time."

"You know I admire your wife. Even in a period of trouble such as this, she can still go out and have a good time."

SOVIETS MAKE MAJOR GAINS IN MINERALS BUT U. S. TOPS

WASHINGTON (AP)—The Soviet Union made major gains in mineral production last year but the United States continued to lead the world by a good margin, the Bureau of Mines reported today.

The Soviets did displace this country as the top producer of coal. The United States had led continuously since 1899. Russia also became the largest iron ore producer.

The United States ranked first in world production of 29 of the 63 mineral commodities covered in the 1958 study of data from 110 countries. Russia led in eight and Canada in three.

Record For Aluminum

Among the metals, only aluminum and its ore, bauxite, established new production records last year.

Production of both coal and crude petroleum advanced to new records for the 10th consecutive year. There also were new records in 1958 in output of cement, diamonds, diatomite, gypsum, magnesite, phosphate rock, potash and salt.

World coal production of all grades totaled 2,435,967,000 metric tons. Russia produced 20.4 per cent of this, the United States 16.1 per cent.

Iron Ore Off

United States production of petroleum was three times that of the U.S.S.R. and this country produced more than twice as much total energy.

Iron ore production in this country declined due to the recession while that in Russia reached a new high.

Russia contributed 20.3 per cent of the world's steel, the United States 28.6 per cent.

EX-TROOPER IS FINED \$50

BARTON, N. Y. (AP)—A suspended state policeman has pleaded guilty to an assault charge brought by a Sayre, Pa., man and has paid a \$50 fine.

James Greeney, 30, of Sayre, had accused the trooper, Henry F. Lembeck, 29, of beating and kicking him on Oct. 15 in the Waverly State Police station.

Lembeck originally was charged with second-degree assault, a felony, but he pleaded guilty Wednesday to third-degree assault, a misdemeanor.

The charge was reduced at the request of Tioga County's assistant district attorney, Andrew Siedlecki. He told peace justice Donald Frederick that he probably couldn't show sufficient bodily harm to support the more serious charge.

Lembeck had arrested Greeney on a disorderly conduct charge. Greeney was convicted and fined \$25, but the fine was suspended. He also accused Lembeck of signing a false information against him, and Lembeck has been indicted on a first-degree perjury charge.

The trooper was suspended five days after the incident.

NEW CONTRACT FOR MILKMEN

NEW YORK (AP)—Negotiators have reached agreement on a new contract covering 12,000 of the 13,000 milk plant workers and delivery men in the metropolitan area. A retail price rise of up to one cent a quart is expected to result.

Negotiations for the remaining 1,000 workers resumed Wednesday. Representatives of about 300 milk companies and four locals of the Teamsters Union announced Tuesday night they had signed a memorandum of terms which is subject to ratification by union by union members. Meetings for voters were not scheduled immediately.

Terms of the contract were not made public pending the membership votes.

Irving Wisch, chief negotiator for 311 milk companies involved in the talks, estimated the new contract would raise costs from one-half to one cent a quart. He said a price rise was certain, but he expressed confidence the rise would not be more than one cent a quart.

Milk prices in most of the metropolitan area range from 28 cents a quart in stores or 29½ or 30 cents for home-delivered milk.

Milk Truck Topples After Hitting Auto

BORDENTOWN, N. J. (AP)—Some 3,500 gallons of milk spilled on Rt. 130 here Wednesday after a collision between a tank truck and a passenger auto.

The driver of the truck which overturned, James Collins, 54, of 13 South Church St., West Chester, Pa., was treated for head cuts at St. Francis Hospital, Trenton, then released.

PANAMA IS TOLD TO STOP FIGHT

WASHINGTON (AP)—The United States has told Panama to stop trying to pick a fight.

The U. S. government is also trying to find out whether it is true that Panamanian police were ordered to stay away from the American Embassy when demonstrations were being made there Nov. 3 and 4.

The U. S. statement, given Tuesday to the Panamanian charge d'affaires, Arturo Morgan-Morales, said Panama should end "inflammatory public allegations" arising out of the demonstrations.

Panamanian extremists have been agitating for taking over the canal, which is operated by the United States in the Canal Zone. It has rented "in perpetuity" from Panama.

PROFESSOR ADMITS HE HAD TV AID

NEW YORK (AP)—A faculty member of a municipal college here has disclosed that he won \$4,000 in 1957 with the help of special "warm-up" sessions before appearing on the CBS television program "Name That Tune."

"Maybe some might say I was lacking in civic conscience," said Robert Haton Wednesday. "I was manipulated and I'm not proud of it."

Hayton, 37, is a professor of political science at Hunter College, a girl's school in Manhattan.

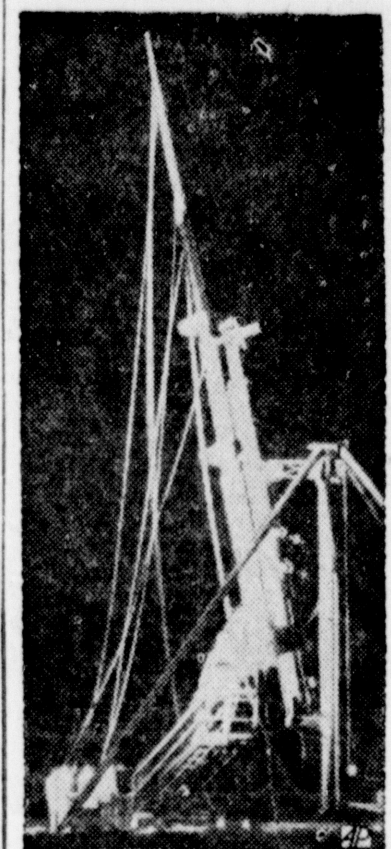

Echo Of Van Doren

The story of his involvement in the scandal-tainted world of quiz shows was an echo of what happened to Charles Van Doren.

Van Doren admitted to a congressional subcommittee last week that he accepted help from the producers to win \$129,000 on NBC's show "Twenty-One."

Hayton emphasized that he had never made a secret of the fact that he had received help before going on before the TV cameras.

Ready For Flight

The Strongarm, a five-stage rocket, is readied for flight at Wallops Island, Va., Tuesday. The rocket roared more than a thousand miles into the sky after launching to let a tiny transmitter count the density of electrons at that extreme height. (U.S. Army Photo via AP Wirephoto)

Milk Co-op Meets With New Directors

PHILADELPHIA (AP)—The Inter-State Milk Producers Cooperative opened its annual two-day meeting today with four new directors on the board.

They were named by the board at an executive meeting Wednesday. They are Gorg R. Brumbaugh, of James Creek; Fred M. Naugle, of Carlisle; Wilbur Seipt, of Lansdale, and Neal D. Widdowson, of Princess Anne, Md.

The cooperative comprises 5,000 dairy farmers in eastern and central Pennsylvania, New Jersey, Maryland and Delaware.

ADVERTISE IN THE TIMES

VARIETY SHOW DRAWS BARBS OF TV CRITIC

By CYNTHIA LOWRY
AP TV-Radio Writer

NEW YORK (AP)—Before the current television season kickoff, Milton Berle defined a special as "any show that isn't about Al Capone." No one has come up with a better one. Wednesday night, however, there appeared a show which can be called a special only because it preempted the time regularly filled by "This Is Your Life" and "Wichita Town."

Despite the fact that the 60 minutes had its quota of stars—Louis Jourdan, Jerry Lewis, Jane Morgan, Bobby Darin, Xavier Cugat and spouse—it was a ragged, fairly uninspired variety show. It was shot live in the ballroom of a Miami Beach hotel, a location which didn't help things a bit.

Jourdan, apparently hired as master of ceremonies because of his well known Gallic charm, was called upon to sing and dance. Jerry Lewis tried a couple of comedy turns—one of which wasn't funny and another where time ran out before he could get started. Abbe Lane, looking as usual as if she hadn't had time to finish dressing, did her usual singing and dancing. Bobby Darin sang, as always, "Mack the Knife," and poor Jane Morgan ended the show by conducting the audience participation session of such songs as "Take Me Out To The Ball Game" and "Daisy, Daisy."

"Wagon Train," "Gunsmoke" and "Have Gun, Will Travel" finished win, place and show in the first national Nielsen Ratings—the ones which, whether they like the system or not, are paid real attention by advertising agencies, sponsors and networks.

House Backs Tax For Mine Subsidence

HARRISBURG (AP)—A special county tax to pay for mine subsidence damage was endorsed by the House Wednesday night.

The bill, approved 180-3, would allow counties to levy up to one mill to pay for private or public property damage where liability cannot be established.

The legislation was prompted by the severe subsidences last month in the Luzerne County borough of Forty Fort.

Reps. Marion Munley, Joseph Wargo and Michael Needham, Lackawanna County Democrats, cast the only dissenting votes.

The bill goes to the Senate for further action.

WASHINGTON (AP)—Roland W. Brown of Lehigh, Pa., was among 21 Interior Department employees who received distinguished service awards today. It is the highest honor the department confers upon employees.

DEFENDS HIS RIGHT TO WRITE

WASHINGTON (AP)—An investigator for a House subcommittee that exposed rigging of TV quiz shows said Wednesday he sees nothing improper in writing a magazine article about the inquiry and being paid for it.

The investigator, Richard N. Goodwin, declined to say how much he was paid by Life magazine for his story of the inquiry.

"I refused to let them use the title 'The Inside Story,'" Goodwin said. "I did not want to give the impression that any special inside information was being made available. Anybody who sat through the hearings could have put a similar story together."

He disagreed with criticism suggesting a similarity between a committee member using his special position for profit and quiz contestants being provided with special information to enable them to win.

Goodwin said he had obtained permission from the chairman, Oren Harris (D-Ark.), to write the story and that it was read by Robert W. Lishman, chief counsel for the subcommittee before it was sent to Life. Lishman was not available for comment.

Education Week

Education Week is set aside each year as a time when public education is highlighted in various ways. It is sponsored jointly by the National Education Association, the American Legion, the United States Office of Education, and the National Congress of Parents and Teachers. In observance of Education Week which is now in progress the Adams County local branch of the National Education Association appreciates this opportunity to present articles this week in commemoration of Education Week, the theme for which is "Praise and Appraise."

ward the student who excels in his work. Such a student runs the risk of becoming ostracized or categorized. For example a young fellow gave up a prize winning hobby of cookie baking because his classmates "ridiculed" him.

"Looking at the child of five or six years, we observe that at his first encounter with school and formal education in kindergarten or first grade he is an enthusiastic learner, who takes pride in each new thing he learns and anxiously awaits new opportunities to become educated. By the time he is in the seventh grade this child in many cases thinks he knows everything and his parents and elders know nothing. He is quite 'shocked' to discover while doing research on his family for a guidance report that his parents are educated to having graduated from high school and college in many cases.

"Lazy, Indifferent"

"This junior high period from grades seven to nine is a time when the good and poor students alike may become lazy and indifferent toward his work. Fortunately these students seem to 'find themselves' in senior high school grades and by the senior year they begin to realize school is a pretty good idea. Even the biggest complainer among the seniors may become a bit sentimental when the commencement procession is played.

"Looking back over our thoughts we find that education means different things to the child at different stages of maturity. Perhaps he can only truly evaluate and appreciate his education after school days are over when he receives enjoyment in reading because he was taught how to read, when he gets a more desirable job in the service because he was taught how to type; when he is elected to an official position in his church or civic organization and can conduct meetings properly because of training he received in school.

"Yes, education to the child does mean a lot of things."

James MARLOW Reports

The Associated Press

WASHINGTON (AP) — Which way Rockefeller?

It's no longer a question of whether New York's Gov. Nelson A. Rockefeller wants to run for president — that's plain enough — but whether he will try to shake loose from President Eisenhower's shadow.

To put it briefly:

1. He can be a "me-too" contender, agreeing with what the Eisenhower administration has done at home and abroad.

2. He can try to come up with his own ideas, even if it means differing from Eisenhower and criticizing the administration's performance.

Is Working Hard

Right now he is simply trying to see whether he has any chance at all against Vice President Richard M. Nixon for the Republican presidential nomination in 1960. Nixon has had years to line up the pros on his side.

But Rockefeller is working hard at it. He has made a speech-foray into the Middle West, ducked in and out of New England, been interviewed on TV, and soon heads for the Far West, Nixon's backyard.

Since Eisenhower has twice won overwhelming endorsement from the voters, it might seem politically sensible to ride his coat-tails with the "me-too" line.

Nixon Follows Ike

That's a course Nixon will almost be compelled to follow since he has been so actively identified so long in the public mind with Eisenhower and his administration.

If Rockefeller took that line, too, then the race between him and Nixon would be reduced to a personality contest and not a choice between ideas and values.

At this moment Eisenhower is taking a hands-off attitude toward these two top Republicans. He is expected to campaign vigorously

for the one picked to be the party candidate.

Support Is Questioned

Rockefeller could hardly look forward to over-exertion by Eisenhower on his behalf if he sought the nomination by criticizing administration policies. Besides, the Democrats will make that their main theme, anyway. There's another side to this, of course. It is questionable Eisenhower would have much influence in getting a Republican elected as his successor. He himself won overwhelmingly in 1952 and 1956. But three times—in 1954, 1956, and 1958 — he pleaded with the voters to back him up by giving the Republicans control of Congress. Each time the Democrats won.

So far Rockefeller has shown signs of independence, of not wanting to win under cover of the Eisenhower mantle, although it's too soon to say how far he will pursue this course.

Aloof Toward Reds

Rockefeller has at times assumed an aloof attitude toward the Soviets, although he met with Premier Nikita Khrushchev on the latter's formal visit to this country.

He has gone further since by warning the free world it may become a patsy for the Soviets if it increases trade with the Soviet bloc now. Eisenhower and Khrushchev discussed the possibility of such increased trade.

The United States—on Eisenhower's order—has joined the Soviet Union and Britain in suspending nuclear testing while they tried to work out some fool-proof agreement to ban such tests altogether.

May Lose Friends

Rockefeller, unimpressed, recently came out for test resumption. Whether or not Rockefeller appreciated the support he got, former President Truman shortly afterwards called for a resumption of the tests, too.

A plea Rockefeller made this week may cost him some friends in organized labor. He asked that management and labor for at least a decade abandon any idea of a 30-hour work week in order to increase American production.

In the same speech, delivered Monday, he proposed increased defense spending. He said this at a time when the Eisenhower ad-

SAY JOHNNY COYLE WALKS WITH A LIMP

PHILADELPHIA (AP) — Defense witnesses testified Tuesday that Johnny Coyle accused of killing a policeman, walks with a limp. Thus they supported a defense contention that Coyle could not have run from the scene of the shooting.

Eleven defense witnesses testified and most of them said the limp was a result of a 1956 automobile accident.

John, 24, has said that his dead brother, William, 22, killed Patrolman James Kane on June 5 when Kane caught William stealing milk bottles from doorsteps.

The prosecution, seeking a first degree murder conviction, contends that John was there, too, and did the actual shooting. William was killed on June 17 when the brothers were cornered in Massachusetts by police.

The testimony of the 11 defense witnesses moved Dist. Atty. Victor H. Blane to object to what he called repetitious testimony.

"He's just making a plea to the jury again," Miss Sara Duffy, defense co-counsel told the court. "Now, Miss Sara," cautioned Judge David L. Ullman.

"I'm sorry, your honor, but he does this all the time," she said. "Miss Sara, will you be quiet a moment?" the judge ordered.

Blane then said the defense had never told him what their witnesses would testify to. Miss Duffy said he knew because she had to get an order from the court to bring them in.

Judge Ullman told Miss Duffy: "Since you got into this senseless altercation before the jury, what you have said is wrong. You refuse to disclose the names or purpose of the witnesses to Mr. Blane, but you disclosed them to me in conference. So there is no point in saying Mr. Blane knows what."

He was interrupted by Miss Duffy. A few more words were exchanged and the judge motioned counsel into his chambers for a conference.

The trial was in recess Wednesday because of the Veterans Day holiday.

ROCHESTER, N.H. (AP) — Thomas Vachon, 34, of Somersworth, died at Frisbie Memorial Hospital Tuesday night of injuries he suffered in a freak auto mishap Sunday night. Police said Vachon's car smashed through a cement wall in a parking lot and hung, suspended above a 15-foot drop. Vachon fell from the car and landed on his head.

DETROIT (AP) — General Motors, world's largest automaker, will suspend all car building for an indefinite period after Wednesday because of a lack of steel.

ministration wants to keep spending down.

This may indicate Rockefeller has decided, win or lose, to walk down his own road. It's too soon to say how far he is willing to go in this direction.

Fireman Dies At \$100,000 Blaze

WEATHERLY, Pa. (AP) — Fire on Wednesday destroyed a building occupied by the Weatherly Woodwork causing damage estimated at perhaps more than \$100,000.

A fireman died at the scene, apparently from a heart attack. He was William Younker, 36, father of two.

The building formerly housed the Lehigh Valley Railroad's car shops in this Carbon County town. Much of the damage at the woodworking plant was to valuable machinery and completed cabinet work.

Some neighboring building and homes were damaged, but firemen arrested spread of the flames by drenching all the nearby structures.

Thomas Kennedy Weds 2nd Time

WASHINGTON (AP) — Thomas Kennedy, international vice president of the United Mine Workers, and Miss Evelyn Summers of Washington were married in a brief ceremony here Wednesday.

Monsignor Francis A. Costello of Wilkes-Barre, Pa. performed the ceremony at St. Thomas the Apostle Catholic Church.

Kennedy, 72, was lieutenant governor of Pennsylvania in 1935-39. It was the first marriage for the bride, who is 49. She has been employed as a secretary.

Kennedy's first wife died in 1953.

ATLANTA, Ga. (AP) — Residents of the Augusta area have been given fair warning not to hop across the river to buy their liquor in South Carolina where taxes are lower. Revenue Commissioner Dixon Oxford said the state may station revenue agents on a bridge linking Augusta, Ga., and North Augusta, S.C.

The last GM car to be assembled will be a Corvair—newest of the corporation's models. It will roll from the assembly line at nearby Willow Run about 10 p.m.

UNIONS, RAILS SET MEETING

PHILADELPHIA (AP) — Two unions will meet here Nov. 19 with representatives of the Pennsylvania and the National Mediation Board in efforts to settle a dispute with the Pennsylvania Railroad.

The two unions are the Transport Workers and the System Federation, both AFL-CIO. They represent about 30,000 electricians, boilermakers, laborers, car inspectors and coach cleaners.

"If no settlement is forthcoming, a strike date will be set that day," declared Frank Sheehan, director of organization of the Transport Workers.

The unions want a "scope rule"—a job classification so each worker will know in advance that he will be assigned to a certain kind of work for a certain number of hours.

HARRISBURG (AP) — The House has voted a \$15,000 appropriation for the state to restore the Tuscarora Academy in Juniata County.

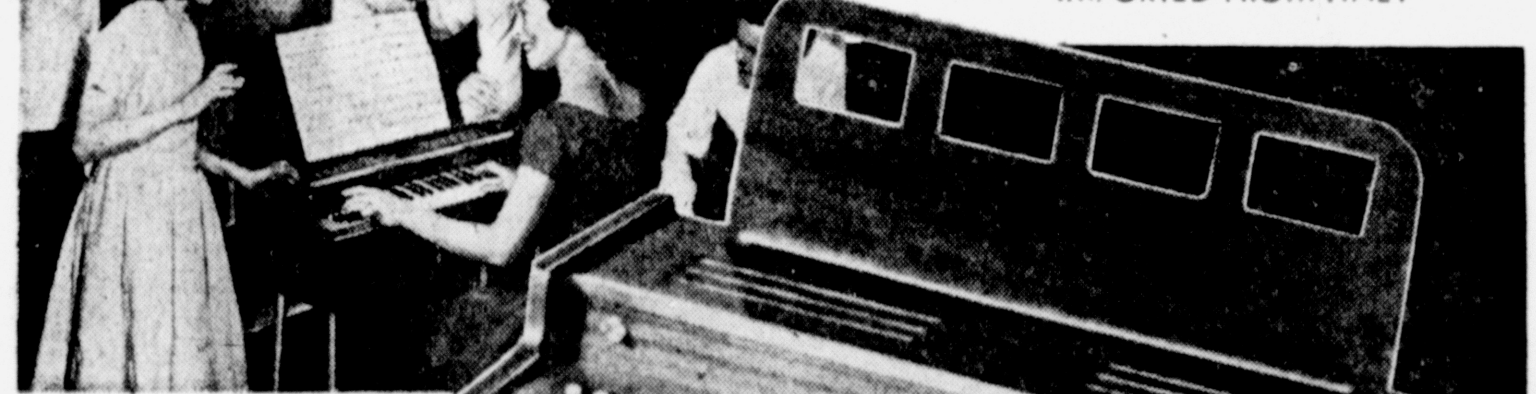

The measure also authorizes the state to accept the historic property as a gift.

NO TRESPASSING

All persons are warned not to trespass on the premises of the undersigned with dog, gun or trap for the purpose of taking game in any manner or for fishing or any way injuring or destroying property. All persons violating the laws of the Commonwealth with regard to trespassing on land of the undersigned will be dealt with under the provision of the Act of June 24, 1939, P.L. 872, Section 954.

Stempel Was Infuriated By Treatment On Fixed '21' Show; Vowed To Expose 'Fix'

By GEOFFREY GOULD

WASHINGTON (AP)—The man Charles Van Doren ousted on the rigged TV quiz show "Twenty-One" conducted a crusade to expose Van Doren as a fraud, a House committee investigator says.

The contestant, Herbert Stempel, has testified he was ordered by the show's producers to lose deliberately to Van Doren, Stempel himself had won \$49,000.

Stempel was infuriated by Van Doren's going on to win \$129,000 and unearned nationwide fame as a great brain, investigator Richard N. Goodwin writes in a Life magazine article.

Confession A Climax

"Stempel embarked upon what he called a crusade for truth but which became a campaign to expose Van Doren and the entire fraudulent quiz show business," Goodwin said.

Goodwin said Stempel was one of the best sources of information the House subcommittee had in setting up the hearings that disclosed that the television quiz shows were shot through with fixing and fakery.

The climax for Stempel came last week, Goodwin said, when Van Doren finally confessed to the

committee that he had been given all the answers in advance, as well as coaching on how to grimace and wipe sweat from his brow in the isolation booth.

Was Reprimanded

"Stempel flew down from New York to watch him testify," Goodwin said. "He sat in a section of the caucus room where he could see Van Doren's face. His long campaign had come to a dramatic end: Phony quiz shows had been destroyed."

Goodwin added, "Stempel's feelings about 'Twenty-One' itself went deeper than his admittedly strong feelings about Van Doren. While he was on the show, Stempel was called 'the poor boy from Brooklyn' (he wasn't poor, and he was from Queens)."

"In his humble role he had to address the master of ceremonies as 'Mr. Barry'. (Other contestants called him 'Jack'). Every week Stempel wore the same old suit and a shirt that was frayed around the collar. One night he decided to wear a good suit. After the show, producer Dan Enright said: 'You're not doing your homework, Herb.'"

IKE, BENSON REVEAL NEW FARM PLANS

WASHINGTON (AP) — President Eisenhower and Secretary of Agriculture Ezra Taft Benson have announced a farm program they will present to Congress next year.

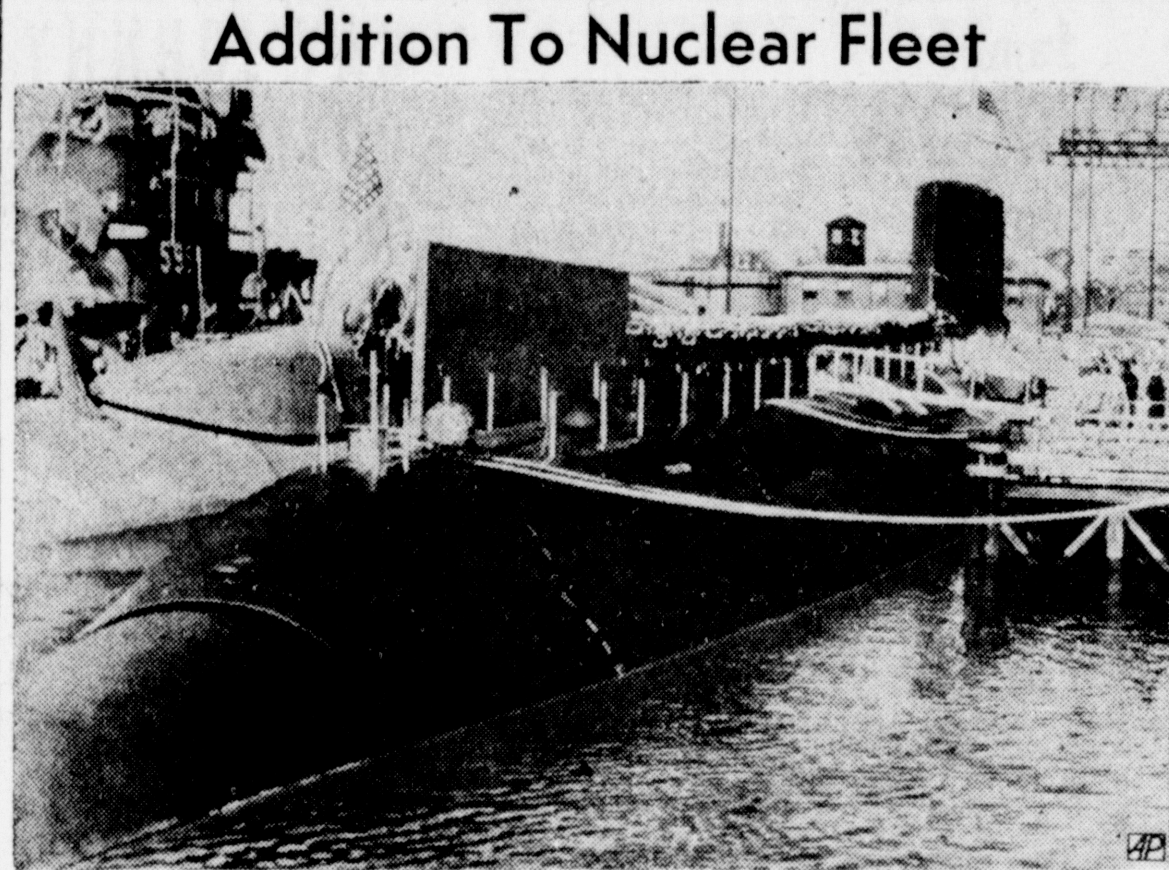

Its key provisions are:

1. To base price supports of storable commodities, particularly wheat, on market prices rather than on the old parity formula. The administration submitted much the same plan to the Democratic-controlled Congress this year and it was rejected.
2. Expansion Program
2. To expand the voluntary retirement of land from crop production for the next five or 10 years, with particular reference to areas with big crop surpluses. This is an extension of Benson's present conservation reserve program.

Also included are a stepping up of research for developing new markets and uses for farm products; a vigorous "food-for-peace" program to use up surpluses by making more available to friendly countries; and an expanded rural development program to help low-income farmers obtain a higher standard of living.

All of these programs have been in effect for some time.

WW I HERO IS UNIMPRESSED

PALL MALL, Tenn. (AP) — Wednesday was Veterans Day but it was nothing special to Sgt. Alvin York, the World War I hero who

is ill, partly blind and not too prosperous.

However, the 71-year-old veteran, sitting erect on the edge of his bed, said his outlook could be worse.

Despite a stroke which left him paralyzed on one side and sightless in one eye, his health is improving to the point he dreams of fox hunting again.

CRANBERRIES TEST IS DUE WITHIN STATE

HARRISBURG (AP)—The State Bureau of Foods and Chemistry plans to test samples of packaged and canned cranberries in Pennsylvania for possible contamination by a weed killer.

However, Delmar K. Myers, acting director of the bureau, emphasized Tuesday there is little likelihood of any contaminated cranberries being sold in the state. He pointed out that state law requires identification of any chemicals or additives used in foods.

Part Of Check

Myers made the statements at a meeting with officials of the U. S. Food and Drug Administration as part of a nationwide check for possible contamination of cranberry crops with the weed killer aminotriazole.

The action came after Arthur S. Fleming, secretary of health, education and welfare, reported that parts of the 1958 and 1959 cranberry crop from Washington State and Oregon were contaminated by the weed killer, which, he said, caused cancer in rats.

Myers said there is no commercial cranberry production in Pennsylvania and added the state knows of no instances where the weed killer has been used on other crops in Pennsylvania.

Charge Sailors With Attempted Robbery

HAMMONTON, N. J. (AP) — Two Pennsylvania sailors allegedly absent without leave from their ship docked in Boston are being held in \$10,000 bail each on charges of attempted robbery.

Police said that Peter Moffat, 20, of Philadelphia, and Ridgeley Snyder, 18, of Mechanicsburg, hitched a ride with a Camden, N. J., man and then tried to rob him.

John Buttocoli told officers he picked up the sailors in Berlin on route to his hunting lodge in Nesco. He said that when the auto reached the outskirts of Hammonton, the pair pulled two pistols.

Buttocoli put up a fight and they fled. The two were captured minutes later in nearby woods by state police.
